

Cash-Based Interventions Dashboard Quarter 1

Uganda Refugee Response Plan (RRP) 2020-2021

January - March 2021

## Overview

The response seeks to explore opportunities to transition from in-kind to cash-based assistance, to the extent possible. The injection of cash, through unconditional multi-purpose, and conditional cash-based interventions seem to have multiplier effects on food security, social cohesion and reduction of aid dependency.

#### Key Achievements

1. Robust technical support to cash interventions

2. Improved coordination through revitalization of settlement and regional level cash working groups 3. Improved advocacy on cash based

challenges

4. Provision of 2021 reference MEB in process 5. Scale up of cash based on market analysis and assessment

#### Key Challenges

1. Changing regulatory environment around Cash transfers 2. Stringent processes for refugees to become bank agents

## Key indicators

Households receiving any form of cash-based assistance\* Target: 221,000

# Households receiving multipurpose cash-based assistance Target: 83,000

Objective: Access to cash and voucher assistance for basic needs expanded

Actual

17,865

22%

Amount of multipurpose cash and voucher assistance Target: 31.6 billion UGX

4.98bn

16%

Annual target

Indicator	Actual	Target/Standard ('21)	Actual 📃 against annu	ial target 🦰
Households receiving any form of ca	ash-based assistance*			
- Congolese and other refugees	130,016	116,000	>100%	
South Sudanese refugees	50,618	100,400	50%	
Burundian refugees	10,457	4,000	>100%	
Households receiving multi-purpose	e cash-based assistance			
Congolese and other refugees	16,685	34,000	50%
