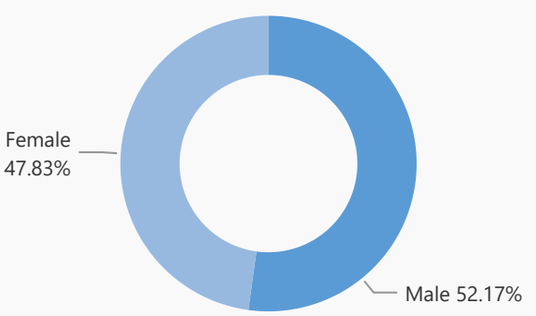
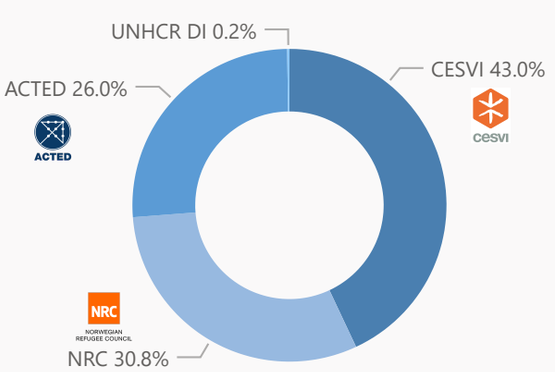
Refugees & asylum-seekers**

Individuals receiving Cash Assistance in September



Organizations providing assistance by individuals reached



What do we do:

Cash provides dignity, flexibility and choice for the most vulnerable persons of concern to allow them to decide and address their own needs.

* IOM-DTM May 2021

** Data as of 1 October 2021

OVERVIEW

Cash assistance is an important modality for UNHCR Libya operations enabling vulnerable persons of concern to UNHCR (PoCs) to cover some of their basic needs, which could include healthcare, medicines, rent and food.

In partnership with CESVI, NRC and ACTED, UNHCR provides unrestricted multi-purpose cash assistance to refugees, asylum-seekers, IDPs and returnees across east, west and south of Libya.

RESULTS

Individuals receiving cash assistance
