Summary of discussion and action points

Agenda Item	Discussion	Action
1. Welcome remarks by UNHCR, OPM, MoLG	Key highlight was the introduction of the new Deputy Representative of UNHCR – Ms. Brigitte Eno and all partners, Government pledged to give her support	
2. Brief Operational situation	So far approximately 3000 Burundians have gone back to Burundi and there is need to do further mobilisation and support those interested in going back.	
3. DRC/SSD Contingency Plans	The numbers and planning will keep changing. Partners urged to offer whatever support they can. Paartners and all key stakeholders to provide input into the Contingency Plans by Monday 13 December. OPM updated partners that land that can accommodate about 20,000 people ha been identified in Rwamwanja Settlement which will resettle PoCs since Kyakka is now full. It was unanimously agreed that the contingency plan should be completed and endorsed by end of next week.	
4. VolRep & IPE VRX	Verification and IPE exercise is on-going amidst some challenges. Partners urged to give all due support to the exercise.	

5. Update on Cholera and C19	No death has been reported due to cholera in Isingiro – Nakivale settlement with last cholera case reported on 2nd December. Vaccination of teachers and health workers is still ongoing, amidst challenges of low uptake. There is a new COVID 19 Variant (Omicron) in the country. Surveilance has been enhanced at entry points.	
6. RRP Financial update		
7. RINGO	Deffered to the next meeting in January	
8. AoB	Schools re-openning for all classes – preparations are ongoing. Partners need to consider temporary tructures to cater for the inadequate structures. Double shifts will ibe considered while noting that this has a financial implication. Next IA meeting will be on 28 January 2022.
