A.	Deviations from original agenda None
1.	Welcome & Introduction
	<ul style="list-style-type: none"> • UNDP welcomed the participants on behalf of the co-chairs • The agenda was briefly presented and validated by partners.
2.	Vocational training: topics and challenges
	No inputs from partners
3.	National level updates
	<p>Livelihoods sector achievements Q2 (presentation annexed to minutes)</p> <p>In general, the sector has achieved good progress towards the targets by the end of Q2 however more work is needed in some areas, specifically:</p> <ul style="list-style-type: none"> - Establishment of new MSMEs - Work based learning <p>The mid-year review showed that there should be a revision of some targets such as support to MSMEs and Cooperatives (from 4,500 to 8,000). Other targets will not be decreased, but further follow-up on reporting will be done to ensure that all activities and achievements are reflected.</p> <p>Further details can be found in the annexed presentation.</p>
4.	Activity Info refresher

	<p>Different tools support Livelihoods and Social Stability and are all centered around the Information Hub (the central data hub). In this hub, partners can access the Inter-agency service mapping, the data portal and the Activity Info training, the contact hub, the IM Dropbox and the DataHub.</p> <p>Of these the session covered the Activity Info reporting which tracks the activity level of the logframe and are then accumulated to form the output which then forms the outcome. Bilateral sessions can be provided to partners on reporting.</p> <p><u>Livelihoods sector page: HERE</u>. The page includes all the information and documents related to the sector including meeting minutes (regional and national).</p> <p>Sector interactive dashboard here. This allows the partners to search for information related to other partners activities using different criteria such as cadaster.</p> <p>Sector indicators: can be downloaded from here</p> <p>Guidance on reporting can be found annexed to the minutes</p>
