<p><u>Agenda:</u></p> <ol style="list-style-type: none"> 1- Update from Partners - All 2- Progress at Contingency Plan (Otaci BD, Romania and Ukrainian BCPs) – UNHCR/ SI 3- Winterization Plan/Assessment- UNICEF and all 4- AoB <p><u>Moldova WASH Sector Structure and Members</u></p> <ul style="list-style-type: none"> • The WG is part of and contributing to the Acomodation and Transport Sector co lead by MLSP and UNHCR(Andrea Cuisana - cuisana@unhcr.org) • WASH subWG Coordinator Mr MAlmjadleh, malmjadleh@unicef.org • Sub-national Coordinator: NA • UNICEF Information Management Officer: NA <p>PROCEEDINGS:</p> <ul style="list-style-type: none"> ➤ <u>Action points compliance review from previous meeting.</u> <p>To manly upodat ethe 5Ws 5Ws August 2022</p> <ul style="list-style-type: none"> ➤ <u>Update on the current WASH situation.</u> <ul style="list-style-type: none"> • UNICEF <ul style="list-style-type: none"> ➤ Procurement of contingency 20,000 hygien and working on procurment of winterization kit ➤ Contribution to contingency through installation of sanitary containers. • SI/UNICEF IP <ul style="list-style-type: none"> ➤ Started distribution travel Kit at Palnaca from 1st Sep ➤ Communication and Plan is ongoing to distribtioe hygiene items to the schools through munciaplities ➤ Plan for conducting assessment on access to sanitation in rural area; use of reusable containers • ACTED/IP of UNHCR 	<p>Action- All partners to update the 5Ws matrix</p> <p>Action: ACTED to provide the names where the WASH rehabilitation is done</p>

- SI took over the distribution of hygiene/travel kit in Palanca. The total distributed kit sin August in Panaca and Otaci is around 834 and 1100 repectively. W

- WASH rehabilitation at RACs is ongoing as per the needs.

- Distribution of HKs at RACs particulary at the quarantined due to COVID

NRC

- Plan to distribute 8,000 Hygien kit through 3 partners. It will be arriving in 10 days. The breakdown and type is attached.

- Considering support to host community at around 10-15% of the kits

M4P/UNICEF IP

- Distribution of around 1000 hygiene kit and baby kit weekly for refugees with host families.

- It is noticed that more refugees are coming form South to collect hygiene items. There are some who shuttle from Ukr to Mol only for the kits; others are registered and present years at Mol before the crisis.

➤ Progress at Contingency Plan

- ✓ One with 6 toilet container was installed at BCP/Palanca tward Ukrainian side. The key to be handed over to Palanc Border Police
- ✓ Discussion is ongoing with UNHCR and Border Police to continue installation of the sanitary containers at remaining pints at Ukrain and 2 points at Romania Border

➤ Winterisation Plan

- ✓ WASH SWG submitted the inut for the AT WG as part of the RCF winterization plan.
- ✓ SI has technical plan for insulation of the sanitary containers awaiting the reply form the company. SI has also designed the relevant HK items for winter as attached for conultaion.
- ✓ NRC to distribute IEC materials on repair and insulation at households to ensure efficient use of hot water and utilisation of energy. More can be found at this site: <https://iec.sheltercluster.org/files>

➤ AoB

- WG lead raised the co-lead matter and the importance of having co-lead to the group.
- Reiterate that the response is provided in different location- Cross Border; BDs, Brders at Ukraine and Romania. Please see the Map of the operational 7 BDs for information.The map of the Blue Dots: <https://data2.unhcr.org/en/documents/details/92198>

Action: NRC to provide the list of kit items, areas and partners.

Action: The increased influx form south to be raised and discussed at the ISCG/ RCF

Action: SI to follow with UNHCR on the request of the authorities for installation at Romani Borders

Action: NRC to share related winterisation IEC materials and sites- Shared and attached
Action: SI and other partners to develop related winterisation IEC leaflet that will be distributed along with the kit items
