

UNHCR Syria Key Figures

January - December 2021

14 Governorates

8 Offices

489 Staff

28 Partners

UNHCR Syria Achievements

Registration

13,900 UNHCR identification cards issued

There were 23,100 refugees and asylum-seekers registered with UNHCR as of end-2021.

Refugee Status Determination

94 people of concern recognized as refugees

This is based on individual RSD assessments conducted following COVID-19 precautionary measures.

Resettlement

29 people of concern departed on resettlement

The people of concern were accepted on resettlement in 2020 but were unable to travel until 2021 due to COVID-19 restrictions.

Community Mobilization

2,800 outreach volunteers engaged in
14 governorates

Volunteers are linked to community centres in their areas and support people identify common problems and solutions for self-reliance.

Legal Aid

131,000 people of concern received legal assistance

This includes legal counselling and direct interventions before courts and administrative bodies to facilitate obtaining civil registrations or documentation.

Child Protection

12,500 children-at-risk received tailored support

This support can include the provision of counselling, health care and support to determine care arrangements.

Livelihoods and Self-Reliance

10,250 people of concern benefited from livelihood interventions

This includes the provision of agricultural kits, entrepreneurship training, and support to start-up small businesses.

Education

80,000 students participated in accelerated education programmes

This includes attending catch-up classes and homework cafés at community centres to support integration into formal education systems.

Health

340,000 people of concern benefited from health care services

This includes primary and secondary health care and support through community-based health initiatives.

Cash-Based Interventions

4,500 refugee households received monthly multi-purpose cash grants

The grants allow refugees the ability to decide their most urgent basic needs while supporting the local economy.

Core Relief Items (CRIs)

250,700 households received core-relief and seasonal items

The standard kit contains plastic sheets, mattresses, solar lamps, high thermal blankets, sleeping mats, jerry cans, and kitchen sets for a household of five. Seasonal items can include winter clothing, fans or heaters.

Shelter

9,100 tents were provided to people in camps

UNHCR replaces old and damaged tents regularly so displaced people can live in dignity through the harsh weather conditions in north-east Syria.

People with Specific Needs

93,700 people with specific needs received specific assistance

People with specific needs received general or medical in-kind assistance such as wheelchairs, medical mattresses, or glucometers to address their vulnerability.

Gender-based Violence

7,600 survivors of gender-based violence assisted

This includes counselling, referral to specific service providers, protection interventions or legal assistance.
