Transitionnal shelter	42	1,809
Shelter maintenance	0	357
CBI for Shelter	0	500

GENERAL SITE OPERATIONS CONSTRUCTED AND SUSTAINED

Activtiy	Achieved	Planned
Drainage constructed (No)	8	14
Access road construction (km)	5	7
Site Improvement work (Ha)	135	403

SHELTER INTERVENTION STRATEGIC OBJECTIVES

UNHCR in collaboration with Refugees and Returnees Service (RRS) and partners:

- provides emergency shelters, site development, and transitional shelter solutions to both refugees and asylum seekers in all sites.
- enable refugees to live dignified lives in secure settlements with greater opportunities for self-reliance.
- enhancing refugee's access to adequate housing and improved living conditions.
- engages refugee and host communities in provision and design of shelter solutions.
- fosters collaboration on shelter and settlement sector response with development partners and private the sector in line with the Global Compact on Refugees (GCR) and the Comprehensive Refugee Response Framework (CRRF).
