Host localities including 01 relocation site

 **88%**
Refugees are women and children

 **11,060**
People registered (Biometric)

 **3,752**
Households registered (Biométric)

Context

Since 15 April, the crisis in Sudan has forced thousands of people to seek refuge in the far north of the Central African Republic. The National Commission for Refugees (CNR), UNHCR, and humanitarian actors are actively working on the ground to receive, register, relocate, protect, and respond to their vital humanitarian needs. These actions also benefit the Central African communities hosting them.

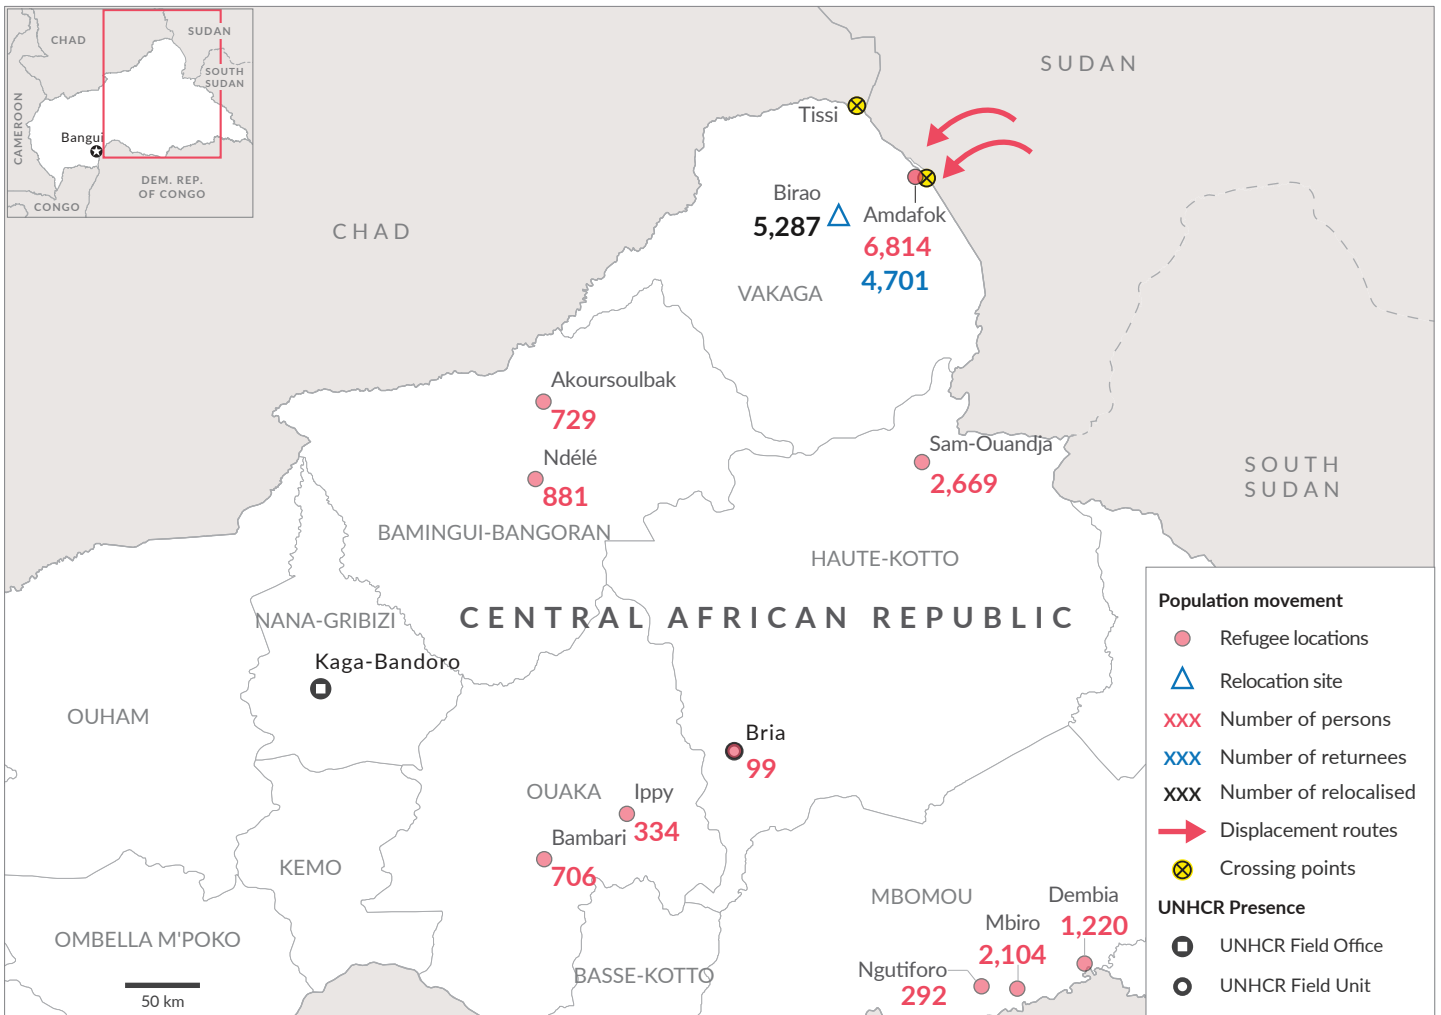

Breakdown of total number by age group and gender

Relocation of refugees to Birao

-  **01** Relocation site (Korsi)
-  **5,287** Individuals on site
-  **849** Facilitated relocations
-  **4,438** Spontaneous relocations
-  **07** Convoys
