

**LRP Nutrition Sector Annual Workplan 2024**

| Sector Priorities & Mainstreaming Areas | Key Priorities   | Main Actions  | 2024 Timeline |    |    |                   | Cross-Sector Support<br>(Choose relevant sector/s with which you will work to achieve your priority) | Responsible  | Main Partners<br>(Optional) | Additional Comments | Status |    |    |    |
|---|--|---|---------------|----|----|-------------------|--|--|-----------------------------|---------------------|--------|----|----|----|
|   |  |   | Q1            | Q2 | Q3 | Q4                |  |  |                             |                     | Q1     | Q2 | Q3 | Q4 |
| Inter-Sector Priority                   | Coordination   | Conduct monthly national nutrition sector meeting. Invitation shared to all partners in advance and minutes after meeting by one week   | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Conduct Nutrition sector Core group meetings monthly or bimonthly basis as needed. Invitation shared to all partners once week in advance.  | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Update the Nutrition Sector public Google Drive on regular basis with relevant sector material.   | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Update service mapping (4 Ws) and share with partners.  | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   | Advocacy   | Support the Ministerial nutrition taskforce developed under MOPH to operationalize the national nutrition strategy  | X             | X  | X  | X                 | Health sector/WASH sector /Food security sector/Education Sector                                     | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Release of series of Policy Breifs related to LIMA  |               |    |    |                   | None   | UNICEF / MOPH / Nutrition sector coordination team |                             |                     |        |    |    |    |
|   |  | Hold an event to launch the LIMA survey report  |               | X  | X  | X                 | UNICEF/MOPH  | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Develop Cost of inaction on nutrition research brief  |               |    | X  |                   | UNICEF   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Continue to implement the nutrition sector advocacy strategy and update it according to LIMA findings.  |               |    | X  | X                 | Health sector / Food Security and Agriculture / WASH sector / Education sector                       | MOPH and Nutrition sector coordination team        |                             |                     |        |    |    |    |
|   |  | Conduct bilateral and collective donors meetings to advise on gaps and advocate for needs.  | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   | Sector Situation Analysis  | Support inclusion and analysis of nutrition indicators in upcoming needs assessment   |               |    |    |                   | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Establish a surveillance and early warning system based on the data on malnutrition program   | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   | Monitoring & Evaluation  | Support partners to update their data on Activity Info and make sure data is reasonable and coherent.   |               |    |    |                   | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Conduct Activity info training for sector partners  | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   | Emergency Preparedness & Response  | Conduct ad-hoc nutrition sector coordination emergency meetings if needed based on the emergent situation   | X             | X  | X  | X                 | Health sector /WASH sector/Education sector  | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Monitor and update the risk analysis indicator matrix   | X             | X  | X  | X                 | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | Implement and update the emergency preparedness and response plan for the nutrition sector based on arising situation   |               | X  | X  |                   | None   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   | Capacity building of partners  | Develop needed technical SOPs supporting the implementation of the response plans (SOPs related to nutrition and food system, education system, SP system, nutrition and child development) | X             | X  | X  | X                 | Health sector /WASH sector/Education sector/ Food Sector   | Nutrition sector coordination team                 |                             |                     |        |    |    |    |
|   |  | revision of the national guideline on prevention and management of wasting and undergo relavant trainings to partners and stakeholders  |               | X  | X  | X                 | Ministry of public health  | Nutrition sector coordination team                 | UNICEF/WHO                  |                     |        |    |    |    |
|   |  | Undertake a training on integration of nutrition and child development in humanitarian and development context  |               | X  | X  |                   | Health/ Education  | Nutrition sector coordination team                 | UNICEF                      |                     |        |    |    |    |
| Protection                              | Review each quarter/biannually to referral trends including on complaint and feedback to discuss challenges and put in place priorities. | X   | X             | X  | X  | Protection sector | Nutrition sector coordination team   |  |                             |                     |        |    |    |    |
|   | Arrange an orientation session for nutrition partners on the referral tools in place   | X   | X             | X  | X  | Protection sector | Nutrition sector coordination team   |  |                             |                     |        |    |    |    |
|   | Accountability for Affected Population   |   | X             | X  |    |                   | Nutrition sector coordination team   |  |                             |                     |        |    |    |    |

|                     |                      |  |   |   |   |   |                                       |  |  |  |  |  |  |  |  |
|---------------------|----------------------|--|---|---|---|---|---------------------------------------|--|--|--|--|--|--|--|--|
| Mainstreaming Areas | Gender and GBV       | Organize a training on gender and GBV risk mitigation to nutrition sector partners   | X |   |   |   | Gender and GBV working Group          | Nutrition sector coordination team   |  | For the complete list of actions to be conducted this year please refer to the sector's Gender and GBV Mitigation Action Plan* |  |  |  |  |  |
|                     |                      | Collect, monitor and analyze gender and GBV data   | X | X | X | X |                                       | Gender and GBV focal point within the Nutrition sector, Nutrition sector coordination team |  |  |  |  |  |  |  |
|                     |                      | Share and disseminate the IEC material related to Gender and GBV to sector partners  | X | X | X | X | Protection sector, GBV and Gender WGs | Gender and GBV focal point within the Nutrition sector, Nutrition sector coordination team |  |  |  |  |  |  |  |
|                     |                      | Develop a referral SOP/Guidelines in collaboration with the GBV Working Group on referral pathways between the Nutrition and GBV sectors                               | X | X | X | X |                                       | Gender and GBV focal point within the Nutrition sector, Nutrition sector coordination team |  |  |  |  |  |  |  |
|                     |                      | Develop and disseminate Nutrition-specific gender mainstreaming and GBV risk mitigation guidance and tools   |   |   |   |   |                                       |  |  |  |  |  |  |  |  |
|                     | Conflict Sensitivity | Ensure participation of nutrition partners in refresher training for nutrition actors on conflict sensitivity and peacebuilding to ensure non-discriminatory practices | X | X | X | X | SoSt sector                           | Nutrition sector coordination team   |  |  |  |  |  |  |  |
|                     | PSEA                 | Ensure participation of nutrition partners in training on PSEA awareness, implementation, monitoring, and appropriate referral pathway                                 | X |   | X | X | Protection sector                     | Nutrition sector coordination team   |  |  |  |  |  |  |  |
|                     | Environment          | Ensure participation of partners in trainings on environment mainstreaming in response design and other relevant thematic areas  |   |   | X |   |                                       | Nutrition sector coordination team   |  |  |  |  |  |  |  |
