

The LRP targets 1.5 million vulnerable Lebanese, 1.3 million displaced Syrians, 145,000 Palestine Refugees in Lebanon and 23,026 Palestinian Refugees from Syria. These populations live across all governorates in Lebanon. Under the LRP, each sector targets its activities based on the assessed needs of each population group. Partners deliver activities at the individual, household, community, and institutional level depending on the type of activity and the needs.

This dashboard summarizes examples of assistance to vulnerable Lebanese under the LRP sectors.

The Lebanon Response Plan is pending endorsement by the LRP Steering Committee. This dashboard is based on information reported by sector partners operating under the sector strategies discussed with and endorsed by the respective ministries.
