

EHAGL Region-Mapping of RLOs

Presented 3RD October 2024

Mapping of Refugee-Led Organizations in EHAGL

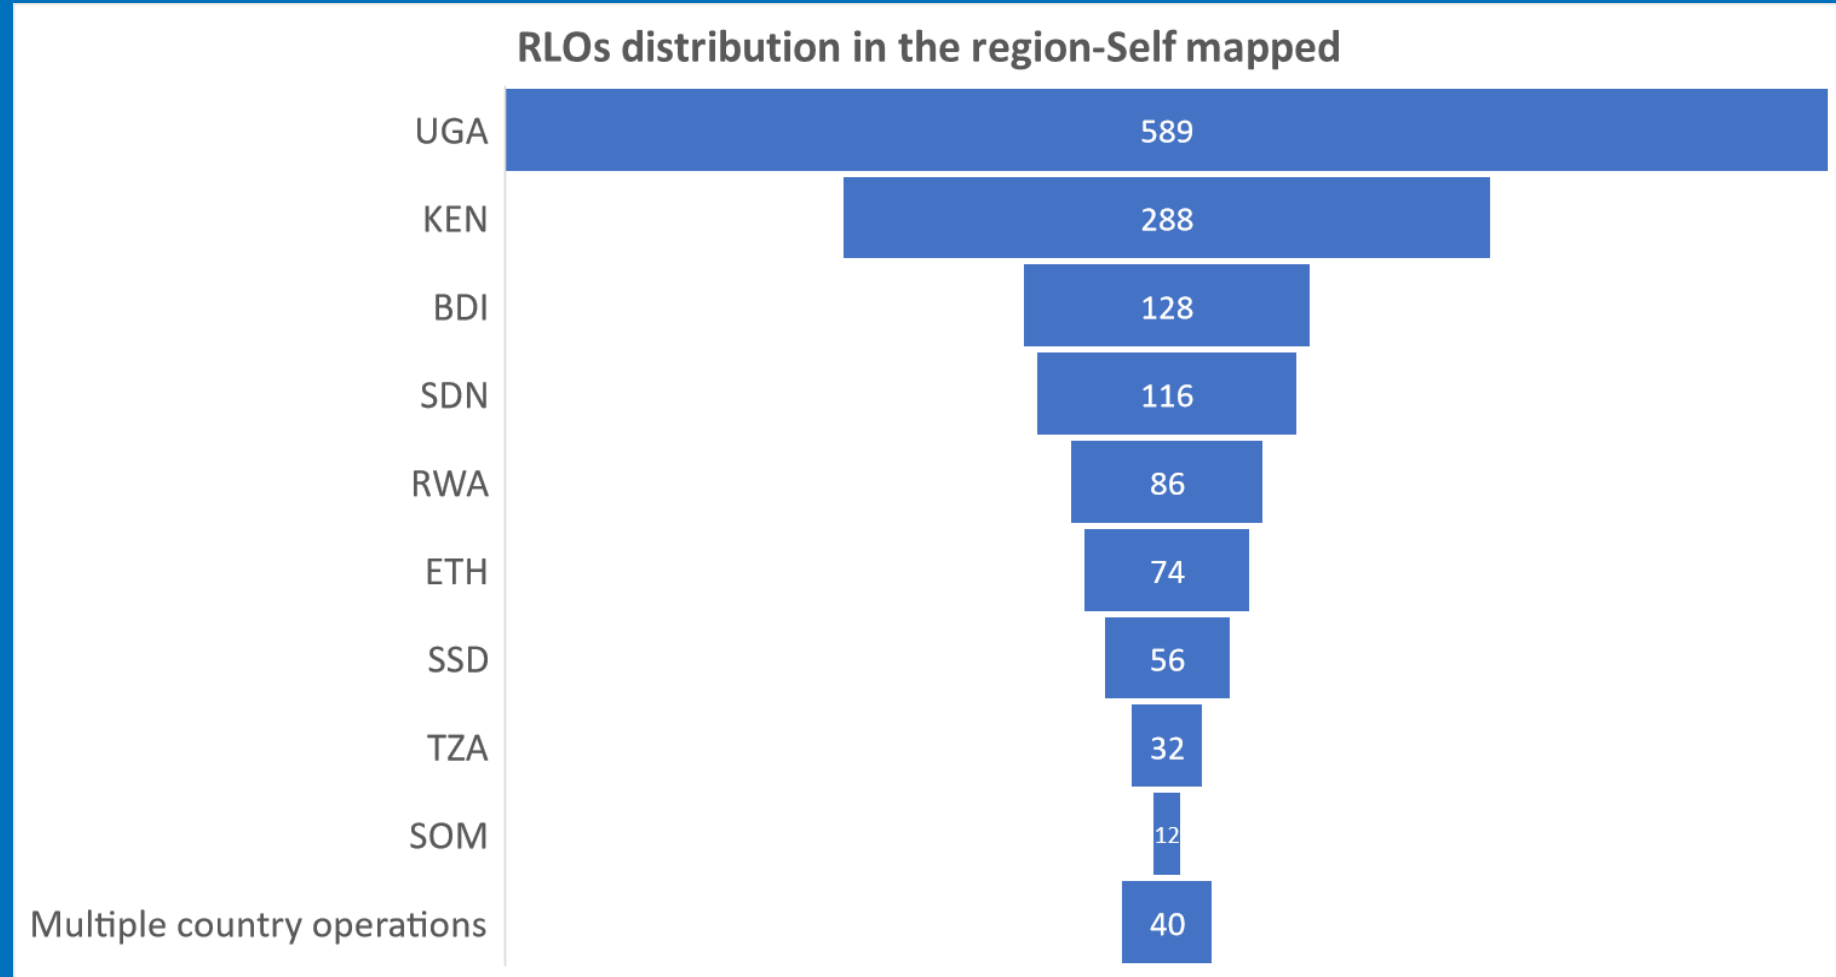

Two approaches

1. **Self-mapping** through the Global UNHCR mapping tool (Includes RLOs expressing interest in Refugee Led Innovation Fund Annually)
2. **EHAGL Region Mapping Tool: CBP team coordinates** staff and partners to update information on RLOs engaged in all UNHCR-supported initiatives. The link was shared amongst CBP network partners in the region to facilitate Regional CBP network efforts

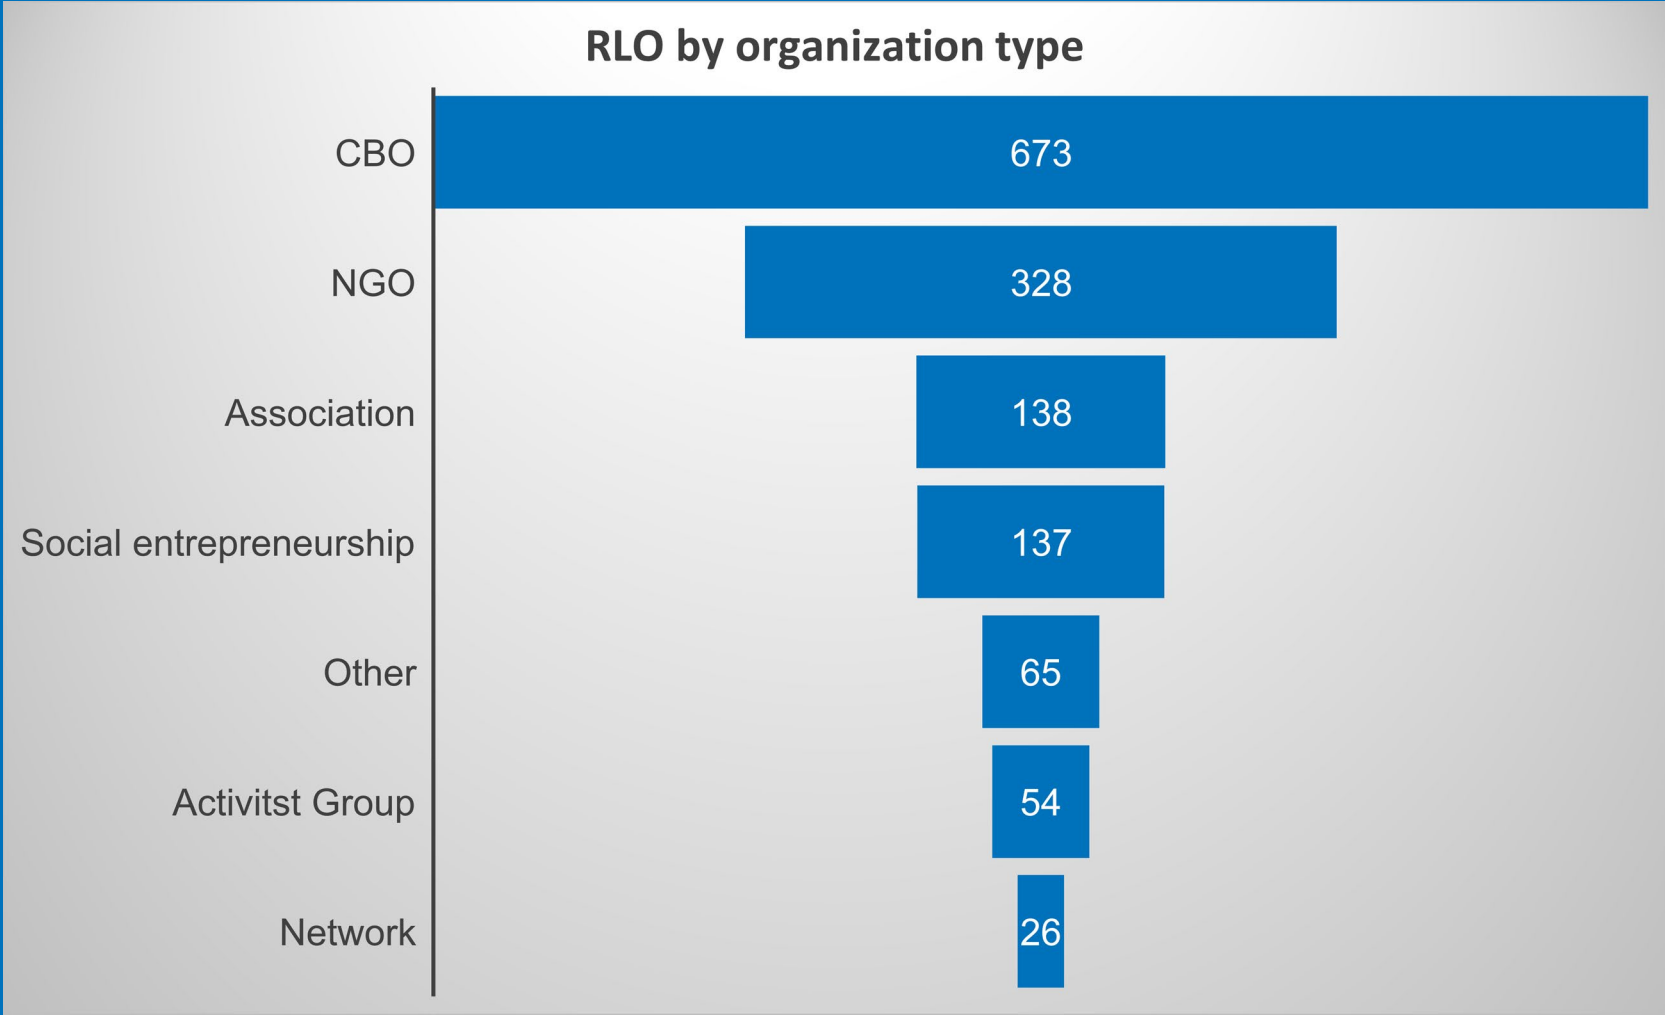

Mapping Progress

1421
self-mapped
Refugee led
organizations in
the region

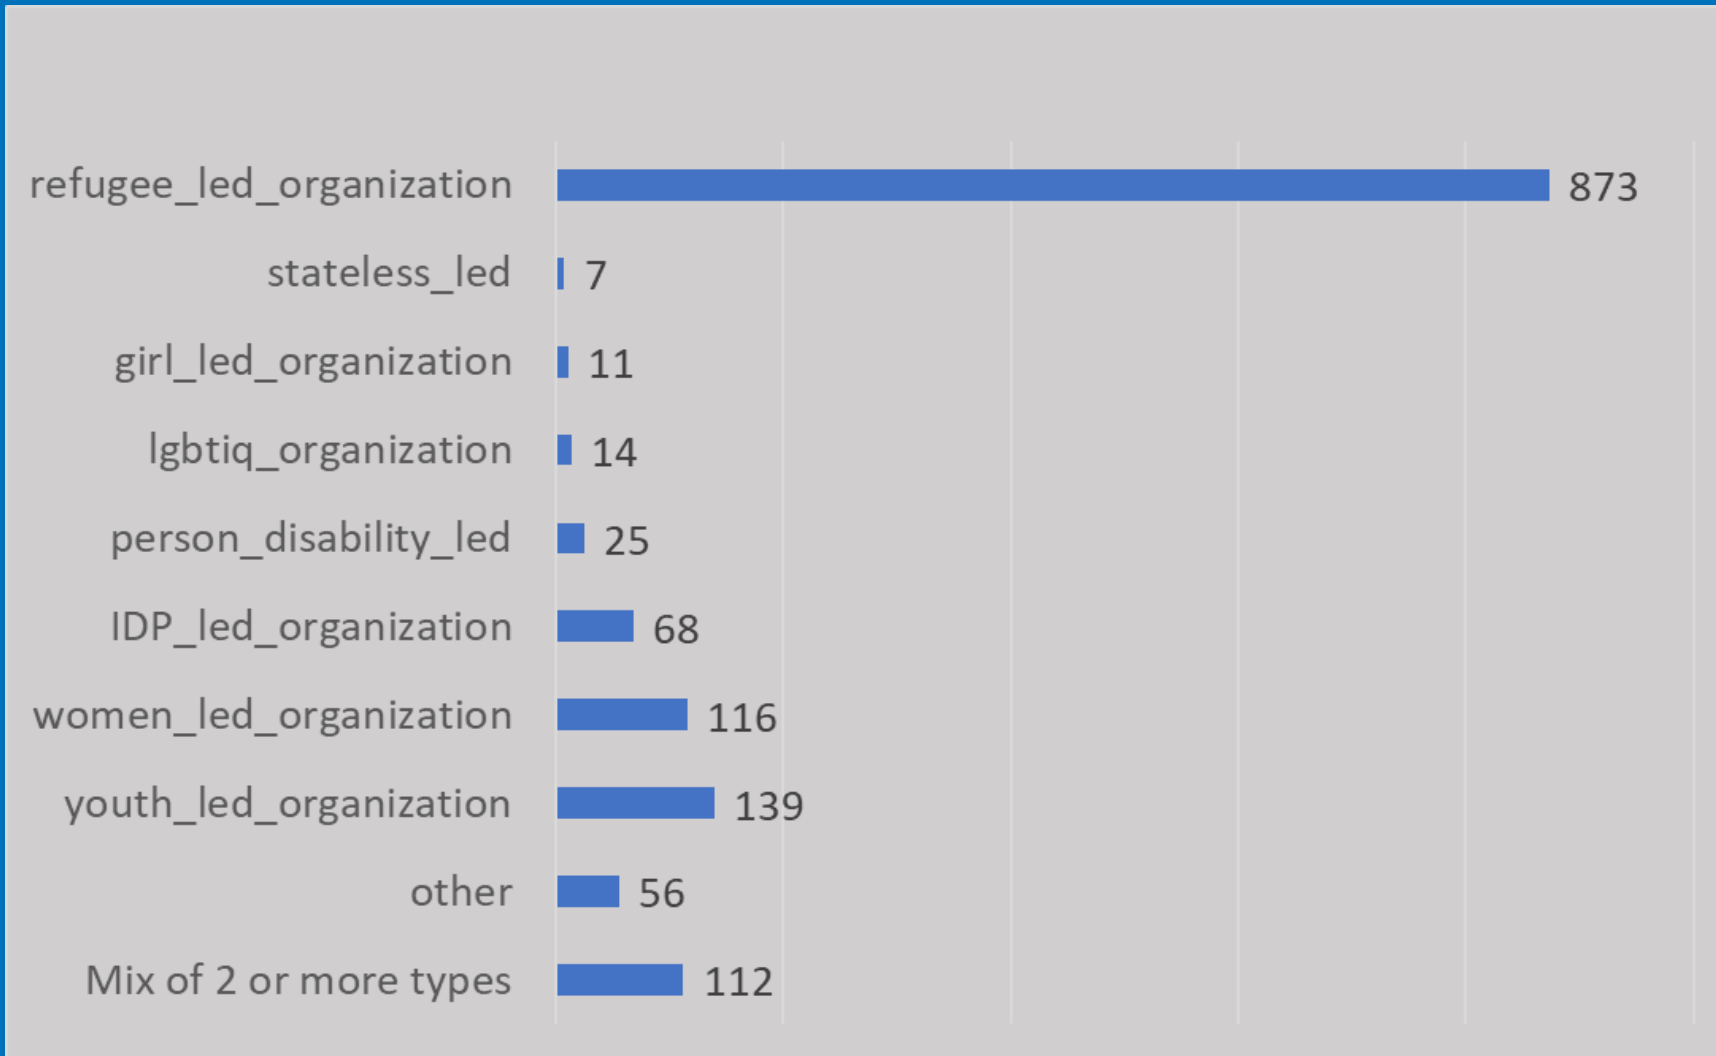

366 registered at
least in one country

Mapping disaggregated by organization type

Mapping disaggregated by Leadership type

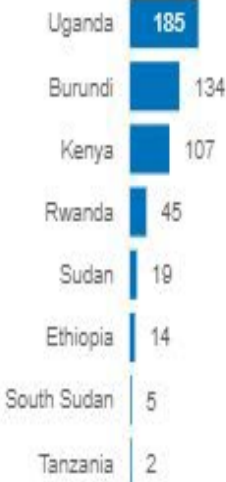

Regional Mapping – Progress since Jan 2024

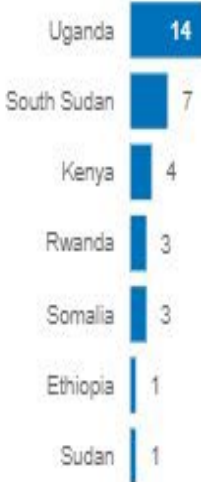

Breakdown of RLOs by Leadership Style

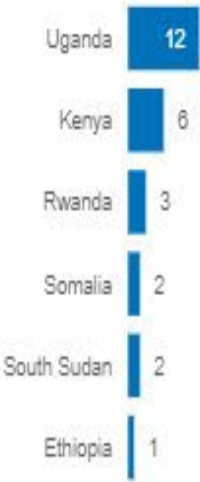

Breakdown by Country Operation

Mapping tools

[Global self-reporting tool](#) for organizations led by displaced and stateless people rolled out in EHAGL in 2023.

[EHAGL REGION - Mapping of local actors \(unhcr.org\)](#) rolled out in 2024.

UNHCR staff are expected to update the regional mapping tool every six months.
