ESWG co-chair update: (Osama Naimi, UNICEF)

- EDPG
 - **OOSC:** out of school children. UNICEF is planning a new national Out of School Children (OOSC) study. The last one dates from 2020 (pre-COVID)
 - **Math assessment:** will be done with the support of UNICEF in 50 schools by the end of February 2024. All camp schools will be included. It will be possible to disaggregate by nationality.
- ISWG
 - **Health sector:** The multi-donor trans fund, providing refugees access to health facilities, is set to expire in September 2024, potentially resulting in adverse consequences. A meeting with USAID discussed the extension of the trust fund.
 - **Economic Empowerment sector:** new local NGO, ARDD, has been appointed as co-chair
 - **Protection sector:** Revising the Work Plan and activities, as well as referral guidelines, in response to reduced funding. The decrease in services may adversely impact communities, leading to concerns such as child labor, child marriage, and negative coping mechanisms. Collaborating with the Ministry of Labor (MoL), Ministry of Youth, and Ministry of Social Development (MoSD) in partnerships.
- GPE: Presented by Shereen (UNESCO) on behalf of the co-chair: Attached talking points

TVET and HE update (UNESCO and UNHCR) Attached talking points.
