Lebanon Protection Sector: At a Glance

March 2025

The Protection Sector Q1 Dashboard presents a snapshot of achievements from January to March 2025. This dashboard includes data from the Child Protection and Gender-Based Violence Sub-Sectors across prioritized indicators for all population groups. The Protection Sector aims at ensuring that affected populations in all their diversity live in a safe, dignified, inclusive, and protective environment where their fundamental rights are respected, they are meaningfully engaged, and they have access to quality protection services. For more detailed information, please refer to the Protection Sector Analysis Report.
