Municipal Library „B.P. Hasdeu"

A new edition of the program for youngest (6 to 12 years old) Chisinau residents, the ''Summer Challenge Program'' will focus on three components: Read. Know. Create. This edition will contribute to the knowledge and support of the STREAM components (science, technology, reading, engineering, art, mathematics) by encouraging knowledge/reading, application of experiments, development of creativity.

The branch libraries will have an individualized agenda, applying various activities, forms and methods of content, guided by the concept ''We learn at the library''.

The activities will be organized over two weeks, including time for everyday learning, and time for presentation of the learning. Librarians will organize various quizzes, trivia games, contests, photo shoots, etc., which will provide non-formal training opportunities for children.

A distinct component of the program is the Reading Tournament, which will focus on the functional principles of reading. Each child enrolled in the program will commit to reading for at least 20 minutes daily. The 20 minutes of daily reading involve the free and independent reading of each participant, based on preference.

The activity is free, participants can bring their own lunchbox if needed the library is offering biscuits and tea. The activities will be in Romanian, Russian or mixed format.

Location: All 27 branches of Hasdeu Library.

Open registration. Agenda and further information will be posted on: https://hasdeu.md/ro or https://hasdeu.md/ro/provocarea-verii.
