

Humanitarian Aid and Civil Protection

**Map Description**  
The following map shows the most commonly used roads and tracks in-and-around Gendrassa camp. Their locations were mapped by REACH surveyors on the ground. Key assets and infrastructure have been added to the map for context. The map was produced to support UNMASS work in the camp.

- |  |                   |  |                        |
|--|-------------------|--|------------------------|
|  | Clinic            |  | Tents                  |
|  | Protection        |  | Roads                  |
|  | School            |  | Waterways              |
|  | Food Distribution |  | Seasonal Ponds         |
|  |                   |  | Compounds              |
|  |                   |  | Extended Camp Boundary |
