Contextual Background

Pattern in Population Change	<ul style="list-style-type: none"> As the refugee camps in Gambella quickly reached their capacity, Kule Refugee Camp was opened on 17 May 2014 to receive the new arrivals, transiting mainly from Akobo, Pagak and Burbiey entry points.
Areas of Origin	<ul style="list-style-type: none"> The population is primarily comprised of refugees originating from South Sudan's Unity, Upper Nile and Jonglei states.
Cultural Background	<ul style="list-style-type: none"> The refugees are predominantly ethnic Luo-Nuer.
Main Occupations	<ul style="list-style-type: none"> Primarily farmers and pastoralists.

Administrative Structure

- UNHCR provides **Protection, Community Services and Logistics**, and monitors delivery of services.
- Camp Management** is conducted by the Ethiopia's **Administration for Refugee and Returnee Affairs (ARRA)** with support from UNHCR.
- ARRA is also responsible for **Primary Health Care** and distribution of **Food and Core Relief Items**.
- Camp Coordination Meetings** are held weekly between UNHCR, ARRA and partners.
- Refugees are **individually registered** in UNHCR's proGres database (called Level 2 registration) and hold **food ration cards**.
- Biometrics (fingerprinting)** is used for refugee registration in order to avoid double registration.
- Ration card numbers and household registration numbers** are used for identification and referral between partners and for distribution events.

Operations and Services

- Registration at entry points:** Screening and registration of new arrivals at Ethiopia's border entry points (Level 1 registration), and more detailed refugee registration process (level 2 registration) conducted.
- Detailed registration:** Refugees are individually registered in UNHCR's proGres database. Fingerprints are recorded to avoid double registration. Photos captured and food ration cards are provided. The ration card numbers and household registration numbers are used for identification, distributions and for referrals between partners.
- Water Delivery:** Kule Refugee Camp currently has water points installed throughout the camp.
- Food distribution:** Food distribution at Kule Refugee Camp is implemented by ARRA and provided to refugees during the first two weeks of every month. Per person, per month, the following WFP food basket is provided: 16kgs of wheat; 1.5 Kgs of Corn Soy Blend; 1.5 Kgs of pulses; 0.9kgs of oil; 0.45 Kgs of sugar; and 0.15 Kgs of salt.
- Core Relief Items (CRI):** The following staple CRI items are provided in Kule Refugee Camp: sleeping mats, blankets, jerry cans, kitchen sets, buckets, soap, mosquito nets.
- Refugee Central Committee (RCC)** – Is a resident coordination and leadership body that is consulted on multi-sector issues pertaining to camp life. The RCC comprises a Chairman, Representatives for Specific Needs (Child Protection, Women, and Persons with Disabilities) and Representatives from each community.
