

Weekly New Registration Population Composition
2nd Aug - 8th Aug 2015

* As of 8th August 2015, the overall registered population in Kakuma Refugee Camp stood at **181,469** (a slight reduction from the end of June 2015 figure(184,850) which is attributed to the inactivation of HR1 individuals who did not show up for the SIM equipping exercise during the 1st Cycle of July '15 food distribution. The individuals may be re-activated once they present themselves at the registration desk upon return to Kakuma R. Camp).

NB: This report reflects registration trends. In addition to new arrivals reported here, the overall population in Kakuma also increases through new births, in-situ registration (of persons who arrived in a previous period but reported for registration later), family reunification, and various other data adjustments. Analysis and projections are based on actual persons registered in the UNHCR registration database (proGres)
