## Arrivals (last 7 days)

## Weekly Arrival Trend

The current Burundi refugee situation began late April 2015 with the initial arrival of 210 persons of concern. The months that followed saw a significantly high number of persons of concern arriving in Tanzania, mainly through Kagunga, a tiny border village along Lake Tanganyika and other entry point in Buhigwe district. The population was assisted to relocate to Nyarugusu camp, which was already host to 65,000 persons of concern, mainly DR Congolese. The camp quickly ran out of capacity to host the new population; prompting the opening of a new camp, Nduta, in Kibondo district on 07-Oct-2015. Nduta's capacity has been put at 50,000. Another camp, Mtendeli is being constructed in Kakonko district. The two new camps will host only Burundian refugees, while other nationals fleeing the current Burundi situation will continue to be hosted in Nyarugusu.
