

Public Health Workshop

Summary: UNHCR organized a two days workshop in Erbil on the 13th and 14th of October. The objectives of this workshop were to:

- Strengthen public health sector coordination mechanism for Syrian refugee response
- Establish a reporting system
- Review the mapping of health, nutrition activities for 2013
- Share UNHCR guidelines and policies

This workshop was attended by representatives from: MoH, DoH Dohuk, DoH Anbar, UNICEF, UNFPA, WHO, WFP, MSF-CH, MSF-H, IRW.

- As a result of this meeting: monthly coordination meetings were established with DoH Dohuk and MoH Baghdad. It was agreed that the ministry of Health will lead these meetings and UNHCR will co-facilitate. The meeting in Dohuk was planned for November 22, 2012 with all partners working in health, nutrition, food security and WASH in the region of Dohuk. The meeting with MoH in Baghdad was planned for November 28th at the ministry of Health and this meeting will be both the national coordination venue and the regional coordination for the region of Anbar.
- UNFPA and WFP presented their 2013 plans for the refugee response.
