Population Trends and projection

Number of Syrians by Province

Age & Gender of Registered Syrian Refugees

Highlights

- According to the information from Turkish Government (MFA/AFAD) the total number of Syrians accommodated in 14 camps, in 7 provinces increased to **137,756** persons including those under medical treatment in hospitals and their companions (665 persons) on 11 Dec. 2012. During the reporting period 1,103 new arrivals were reportedly admitted from the borders and 67 Syrians returned to Syria voluntarily.
- It was reported by the local authorities that the winterization of the camps is on going. During the a visit to the camps, in Osmaniye, UNHCR team was informed that there is a shortage of clothing and requested if clothing for men, women, and children can be provided. Reportedly the distribution of floor platforms for tents funded by AFAD will be produced locally and distributed soon.
- During the visit to Karkamis camp, it was observed by UNHCR team members there is an increasing interest from the Syrian women (200 already registered) to the vocational courses (tailoring, sewing, fabric garnishing and wool knitting courses). The local authorities already started to place 10 knitting machines in the camp for the Syrian refugees. Also in Karkamis, the construction of new latrines and bathrooms is on going. Drainage excavation work is also continuing.
- UNHCR is working in close cooperation with Government officials (Kizilay and AFAD) to provide support to the winterization of the camps which additional winter tents will be provided. It was also agreed with the Government of Turkey that UNHCR will provide kitchen sets and cooking sets for the expansion of WFP food card system to other camps.
- According to the official camps' population figures, almost all the camps are already full to their capacity. Reportedly some thousands of them are staying with their relatives in the neighboring villages on permission from the camp officials after being registered with the camps (i.e.: Ceylanpinar-9,800 and Akcakale-4,120 persons).
- While the construction of the two container sites (Nizip-2 in Gaziantep and Harran-Kokenli in Sanliurfa) is still on-going and expected to be operational by early Jan 2013, local authorities (MFA and AFAD) also informed UNHCR that there are 4 more camps (3 container sites and 1 tent camp) also under construction.
