**Notes**

The boundaries, names and designations used on this map do not imply official endorsement or approval of the United Nations. All data used are the best available at the time of production.

**Data Sources:**

- Lebanese Border, Caza Boundaries, Urban Areas, Major City/Towns, Municipalities
- Sea Ports, Rivers, Roads: NPMPIT 2005.

**Informal Tented Settlements Data:**

- UNICEF, April 2013
- PU-AMI, January to April 2013

**- Geographic Projection: WGS 1984**

**NPMPIT: National Physical Master Plan for the Lebanese Territory**

**Data as of February to April 2013**

**Mapping by UNHCR. For Information and updates contact the UNHCR office.**

**WARNING:**

- Map produced on the base on the information communicated to UNHCR by partners.
- Information were collected from January to April 2013.
- All figures are NOT already reconciliated through systematic georeferencing.
- Population figures include Syrian, Lebanese, Palestinian, Agro Workers and/or Refugees aggregated together.
- Figures might significantly change once the mapping methodology is fully adopted by UNHCR Partners.
