Danish Refugee Council

Mission

The Danish Refugee Council (DRC) is a humanitarian, non-governmental, non-profit organisation founded in 1956 that works in more than 30 countries throughout the world. DRC fulfills its mandate by providing direct assistance to conflict-affected populations – refugees, internally displaced people (IDPs) and host communities in the conflict areas of the world; and by advocating on behalf of conflict-affected populations internationally, and in Denmark, on the basis of humanitarian principles and the Human Rights Declaration.

In Jordan, DRC provides assistance in the shelter, cash, non-food item, education, and protection sectors to both Syrians and Jordanians. To ensure a more holistic response, DRC has also developed a comprehensive referral system to link vulnerable individuals with access to quality assistance for multi-sector needs, including health, education, and legal aid.

In 2014, DRC has appealed for a total of **USD 13,890,810**
