Section 1

Project Fact Sheet

Beneficiaries In Numbers

TOT for 100 Teachers

1848 Students (14-25 age) Accelerated Ag. Learning

**525 BT students (15-20 Age)
(200 Females)**

Partners

FAO's will be responsible for the overall implementation of the project in close collaboration with MoA and their affiliated schools

Partnership Agreement for Implementation with:

International
Labour
Organization

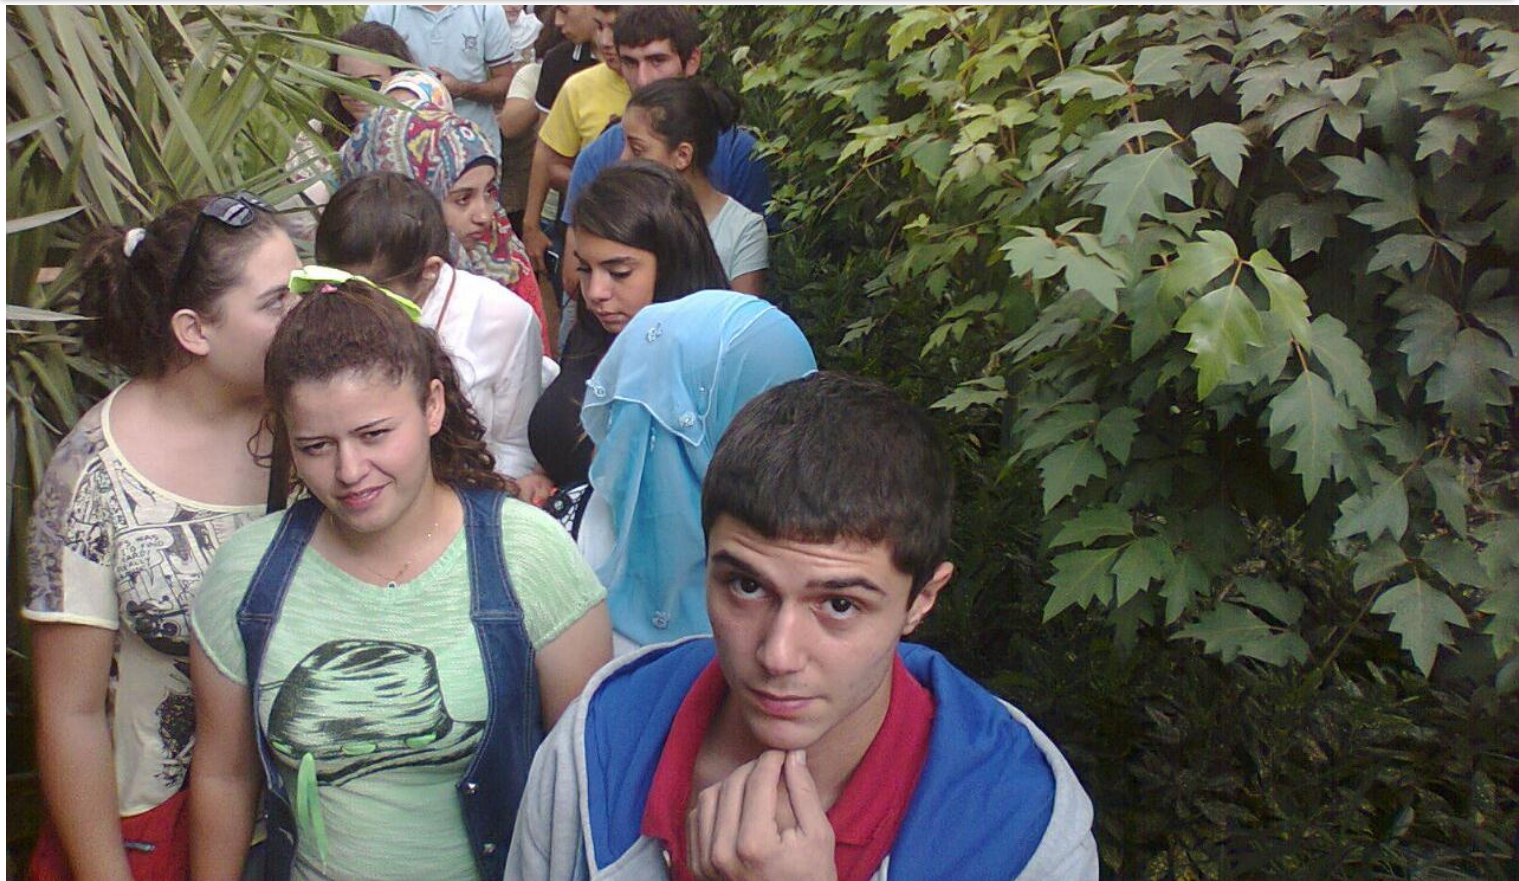

People for development

Coordination/ activities related to this project of separate interventions are included in the workplan to highlight coherence and synergy

in collaboration with
unicef 

FAO will coordinate with agricultural training institutions from The Netherlands and elsewhere in Europe to develop twinning programs

Section 2

Project Intent

Rational

Syrian Crisis

- Displaced Syrian (Youth)
- Declined humanitarian assistance
- Agriculture dominated by unskilled Syrian labourers

Youth unemployment

- Unskilled Lebanese youth/workers of hosting communities
- BT students and graduates
- Youth demotivation to agriculture

Public Technical Agricultural Education System Weaknesses

- MOA strategy
- BT Curriculum
- Human and financial resources
- Linkages to labour market /private employers

Impact

ENHANCING THE EMPLOYABILITY OF MALE AND FEMALE LEBANESE AND SYRIAN YOUTH IN THE AGRICULTURE SECTOR BY PROVIDING THEM WITH THE NECESSARY TECHNICAL SKILLS

IASC guidelines on GBV

Sector Roll-out

IASC 2015 Gender-based Violence (GBV) Guidelines

- 9 target countries for 2017 roll out: Burundi, CAR, Greece, Lebanon, Mali, Nigeria, Pakistan, El Salvador, Guatemala, Honduras and Whole of Syria
- Sector participation in Lebanon: Health, WASH, Education, Protection, Food Security
- Guidelines targeted to non-GBV specialists- intended to *complement* existing programming, rather than creating parallel systems.
- Sectors receive in-person and remote support to help with implementation of Sector Action Plan
 - Food Security Sector GBV Coordinator: Emily Fredenberg, emilyjean.fredenberg@wfp.org
 - Global GBV Guidelines Coordinator: Erin Patrick, gbv.guidelines@gmail.com
 - National GBV Guidelines Coordinator

Roll-out Plan

April/May 2017: Sector leads engage sector members in contextualization exercise (baseline data collection- online surveys and in-person/remote interviews) to feed in to in-person trainings

June/July 2017: *(exact dates to be determined)*

- One day training for sector members in Beirut
 - Development of Sector Action Plan
- One day training for technical field staff (North, ML, Bekaa, South)

Aug-Dec 2017: Support for Implementation of Sector Action Plan

- Remote support and capacity building from GBV Guidelines Coordinator(s)

For more information: www.gbvguidelines.org

LHF- Reserved allocation

3 April - 1st May :

The allocation will amount to approximately \$1.5 million

Project submitted for FSS: 1 by HAD being reviewed

For info please contact Bruno:

bruno.minjauw@fao.org

Or : elzir@un.org

3 April	The HC publishes the First Reserve Allocation 2017 strategy paper.
9 April	Deadline for selected organisations to submit project proposals through the OCHA online database (GMS).
10 - 13 April	Proposals submitted are reviewed by the respective UN Sector lead and the Humanitarian Financing Unit
19 April	Sectors' recommendations reviewed by the Inter-sector coordinators, the HFU, NGOs representatives (LHIF and NNGO Forum) and feedback are provided to partners.
20 April	HC's endorsement.
21 - 28 April	Proposals are finalized and Grant Agreements are signed.
1st May	Disbursement process begins.

LHF- Standard Allocation

15 April - 1st July:

The allocation will amount to approximately \$4.5 million (tbc).

For info please contact Bruno:

bruno.minjauw@fao.org

Or : elzir@un.org

15 - 30 April	UN Sector coordinators to share inputs for the strategy paper (priorities and identified niches for funding by the LHF) + feedback on the score card
2 May	UN Sector coordinators to share composition and contact details of the Sector Review Committee
5 May	GMS induction training for the UN sector coordinators and the Sector Review committees' members - to be done by OCHA HFU
8 May	Launch of the call for proposals
29 May - 16 June	Review of projects submitted by the UN Sector Review Committee in two steps: - Step 1 (29 May – 2 June): strategic review. Objective: identify and prioritize project proposals considered best suited to address the needs identified in the allocation paper as well as alignment with the LCRP - Step 2 (6 -16 June): technical review. Objective: Look at the quality of proposals submitted and ensure that the approved proposals are highly qualitative before the final endorsement of the HC. <i>P.S: more information will be shared during the GMS training</i>
1st July	Project starting date

THANK YOU
