

Throughout January, Save the Children's (SCI) PSS team including coordinators, facilitators and the psychologist convened in workshops to design the PSS programme for 2017. 32 youth and adolescents living in Greater Cairo and Alexandria benefitted from sustained PSS provided by community-based psycho-social workers of UNHCR's Partner Tdh/PSTIC. In coordination with UNHCR, SCI is in the roll out phase of its mentor and support programme for UASC.

During the reporting period, 3RP partners continued to focus on multisectoral approach for prevention and response to SGBV incidents.

While the month of January was a preparatory period for implementation of the activities on SGBV prevention and response by the 3RP partners for 2017, a total of 66 Syrian women approached UNHCR partner CARE's Women Friendly Space in 6th of October City in order to attend Zumba classes, awareness sessions, a crochet training, and a coiffeur workshop. Throughout the year, the place will continue to provide the secure, supportive and non-discriminatory.

**Sectoral Indicators Progress\***

Indicator	Women	Girls	Boy	Men	Aggregated/Number	Target
61 Syrian refugees submitted for RST	1%					4,500
22 PoCs referred to legal partners for assistance	0%					4,600
2,438 children, adolescents and youth participating in structured, sustained PSS, life skills and CP programs		8%				29,500
953 children, adolescents and youth benefiting from multi sectoral case management			32%			3,000
20 SGBV survivors receiving multisectoral services	2%					930
404 persons reached through community led activities on SGBV prevention and response	4%					10,500
governmental and non-governmental entities staff trained on CP	0%					1,600

Note: These dashboards reflect the achievements for the 3RP partners including UN agencies, and NGOs involved in the 3RP response in Egypt. Progress and target may change in line with the data revisions. All data on this dashboard is current as at 31 January 2017.
