Camp Sectoral Update	
Shelter UNHCR	UNHCR and CMAs have undertaken with the Government counterpart discussions on shelters' repair and maintenance solutions based on the most updated shelter assessment done in Sittwe camps by the Government. The assessments have highlighted the needs to implement a rapid repair and maintenance prior to rainy season. As discussions are still ongoing, further information will be shared once agreement is made.
Non Food Items UNHCR-DRC	<ul style="list-style-type: none"> - No distribution is planned for this camp during this month.
WASH Solidarites International	<ul style="list-style-type: none"> - New referential of infrastructure is ongoing. - Latrine renovation activities have not been restarted yet, first round of repairs will be done starting early in May to improve access until new latrine referential will be completed. A second round of major repairs will be conducted between end of May and June prior to rainy season. - Regular water-testing at household- and borehole-level - Latrine desludging is running normally - Weekly mass cleaning campaign and waste management have been carried out (with 2 week pause during water festival) - Regular hygiene promotion sessions at HH-level (with 2 week pause during water festival) - Regular boreholes maintenance (with 2 week pause during water festival) - On-going drainage cleaning campaigns - Solar lighting installation has been postponed due to water festival, installation will start early in May
Health Mercy Malaysia	<ul style="list-style-type: none"> - Regular activities on-going
