

### 7 - Ohn Taw Gyi North IDP Camp (estimated 13,000 residents)

Issue	Status
<ul style="list-style-type: none"> <li>➤ CAMP MANAGEMENT: Full CCCM activities ongoing including; Communication with Focal Points and FOA and incentive workers for the information gathering, sharing and daily access to services monitoring in the camp, material support to CMC offices, camp level coordination, community services activities. <ul style="list-style-type: none"> <li>▪ SHELTER: Some camp residents are using tarpaulin from DRC as a temporary measure. They want DRC, CCCM to renovate all of the damaged roofs as soon as possible as it rains frequently.</li> </ul> </li> <li>➤ WASH: SCI covering most of OTG north, OTG 1 area to be handed over to SCI from CDN in July. Full WASH activities ongoing. Hygiene kits distributed. No major concerns reported.</li> <li>➤ HEALTH: Mercy Malaysia is running health activates three days in a week; MOH arrived and gave vaccination to pregnant women. No major health issues were reported.</li> <li>➤ FOOD: WFP delivered rice in the 1<sup>st</sup> week of June, reportedly no information given at that time re: delivery of remaining items. The rest of food basket delivered during 3<sup>rd</sup> of June. Reportedly MAUK (private donor) delivered 1300 rice bags but CMC distributed only 1200 bags to the IDPs who do not receive food from WFP. The IDPs complained to MAUK that CMC kept 100 bags; MAUK visited the camp and gave CMC formal warning. MAUK will reportedly continue to provide rice to IDPs missing from WFP caseload.</li> <li>➤ EDUCATION: TLSs are operated by UNICEF and LWF. LWF completed school kit distributions in OTG 3 &amp;6.</li> <li>➤ NON-FOOD ITEM: No agencies supported NFI Kit in the camp. IDPs need kitchen utensils, solar light, mosquito nets and water pots.</li> <li>➤ PROTECTION: Regular Protection activities by DRC ongoing including IPAs, monitoring and psychosocial support training to women. WPE project by IRC starting soon.</li> <li>➤ NUTRITION: ACF is running nutrition activities alongside MHAA. ACF and SCI do joint screening for villages and camps every two months.</li> <li>➤ CHILD PROTECTION: Regular activities by SCI ongoing.</li> </ul>	<p>-DRC assessment of damaged roofs completed in camp and renovation to begin 1<sup>st</sup> week July.</p> <p>-UNHCR – assessing NFI needs across Rakhine. Communication with communities is required.</p>

### 8 - Ohn Taw Gyi Village (estimated 2,400 residents)

- Regular protection monitoring activities by DRC; no updates

### 9 - Ohn Taw Gyi West IDP Camp (estimated 3,200 residents)

Issue	Status
<ul style="list-style-type: none"> <li>➤ CAMP MANAGEMENT: Full CCCM activities ongoing including; Communication with focal points and volunteers, information sharing , information gathering and daily access to services monitoring, special focus on displaced group from STMG camp – assistance. <ul style="list-style-type: none"> <li>▪ SHELTER: Shelter maintenance still main concern for residents, assessment made for additional damage since February assessment.
