

and snack making competition, Myanmar language classes for women and Library days.

- SHELTER: Storm damaged roofs were renovated. In some shelters, the walls, floors and doors are damaged and need to be repaired. Distribution of metal tape was completed for roofing leaks to all HH.
- WASH: SCI running full range of activities. Focus on HP home visits, latrine desludging, organizing and training CPG, TOT training for CHW, renovating 65 latrines for BDP-61 areas, and building new latrines. CDN started building concrete drainage by the main road of OTG-1.
- HEALTH: Mercy Malaysia Clinic opened 5 days in a week (minus one day closure in week 1). No complaints regarding health reported.
- FOOD: In OTG-3, WFP rations of rice, oil and salt were delivered for one month for Myebon Group. WFP rations rice, oil, salt, bean, and nutrition powder were delivered for 15 days for Nget Chaung Group. In OTG-1, WFP rations of oil and beans were delivered. In OTG-6, government donation of 170 bags of rice was distributed. Concerns raised about donations distribution methods. MRF gave training to 15 CMC members and 5 IDPs in order to discuss food rations book because MRF distributed for 2 months rations instead of 6 months. Myanmar Heart Organization (MHO) delivered fish, sugar, condensed milk, and Ovaltine in this month. CMC delivered two packages for 3 HH, one package includes four condensed milk tins, one sugar package, Ovaltine, and 2 fish pots. IDPs who get monthly MRF ration said they lack of ration. WFP and CDN discussed with camp members regarding food distribution, and possible improvements. Most of camp members requested firewood and money instead of the items.
- EDUCATION: UNICEF and LWF TLSs opened. LWF said that UNICEF teachers to handover UNICEF school and give students kits, upon agreement signing. LWF main activities: collected data to give students kits in OTG-1, delivered students kits (887 packages) at UNICEF school in OTG-1, LWF school started running in OTG-6.
- NON-FOOD ITEM: IDPs from OTG-3, OTG-6, and BDP-61 who didn't get NFI requested NFI support from agencies. IDPs said that they need solar lights and mosquito nets. Raised concerns that UNCHR distributions were conducted using WFP food List data which doesn't cover all of the camp.
- PROTECTION: Regular protection monitoring, IPA, and support to women's group by DRC on-going. Now recruiting women's group facilitators and security guard for the Women's Centre. SCI gave child protection training to women's group.
- NUTRITION: Regular activities on-going. MHAA and ACF cooperated and opened nutrition clinic on two Mondays. ACF and SCI carried out joint screening. SCI provided health training for pregnant women. ACF and MRF cooperated and did drama show in OTG-1 and OTG-3.
- CHILD PROTECTION: All SCI and LWF CFSs running regularly. DRC (CP) conducting recruitment of CP facilitators and provided training to CPG to out-of-school adolescents. SCI collected data of Child HH in the camp.
