25. Ah Nauk Ywe Village

Population: approx. 2,500 inhabitants

<p>Highlights</p> <p>Reportedly, there are still tensions between villagers and IDPs from ANY Camp over the use of water sources, fishing activities and firewood collection. Allegedly, villagers from ANY have also frictions with villagers from Sin Ain village as a result of past insecurity incidents.</p> <ul style="list-style-type: none"> • Other update on activities and issues <p>WASH: Due to the lack of latrines in the village, open defecation in nearby fields is common, however, the community feel afraid to go to those fields at night due to the presence of snakes and wild animals. It was reported that latrines for each HH are being constructed by an INGO but the villagers are concerned about the quality of such latrines.</p> <p>HEALTH: There is not a health center in the village. There are irregular one-day visits by a mobile clinic from the Ministry of Health. According to the villagers, it is very hard for them to have medical services and when the mobile clinic goes to ANY, most of the IDPs go to see the doctor so most of the villagers do not have an opportunity to see the doctor or any medical staff from the mobile clinic. In view of the circumstances, villagers who have means of transport or financial means to pay for it, seek medical treatment in Thaechaung village or Sittwe township.</p> <p>Follow up on former issues</p>	<p>Follow up, challenges and advocacy</p>
