- No updates.

13 - Dar Paing IDP Camp (estimated 10,500 residents)

Issue	Status
<ul style="list-style-type: none"> ➤ SECURITY: No incidents reported. ➤ CAMP MANAGEMENT: Ongoing regular activities, information sharing, information gathering and daily access to services monitoring. <ul style="list-style-type: none"> ▪ SHELTER: Lack of shelter for IDPs in sector 4; high risk during the upcoming rainy season. ▪ SHELTER MAINTENANCE: shelter roofs are badly damaged throughout the camp. ➤ WASH: Ongoing regular activities: cleaning latrines and camp, hygiene promotion, latrines and hand pump renovation, meeting with CMC for drainage construction. ➤ HEALTH: MHAA operated a clinic out of DP hospital. SCI is conducted reproductive health related hygiene promotion. ➤ DEATHS³: A 6-month old baby died of unknown causes. ➤ FOOD: A private donor, MAUK, provided 720 rice bags for IDPs in sector 4 and tent areas. ➤ NON-FOOD ITEM: No NFI kits been delivered by agencies – primary concern, cooking utensils. 	<ul style="list-style-type: none"> -Follow up taking place. Roof repair work by DRC is expected to begin in next 2 weeks. - No update from Health Cluster re: suspected hepatitis case. -NFI cluster aware.

² Reported deaths are recorded by DRC on behalf of CCCM Cluster to be shared with Health Cluster for further analysis.

³ Reported deaths are recorded by DRC on behalf of CCCM Cluster to be shared with Health Cluster for further analysis.

- EDUCATION: UNICEF TLS is running regularly and government TLS enrolled students for new school year. No school kits provided. UNICEF held a meeting to discuss TLS renovation.
- PROTECTION: DRC conducted meeting with Women's groups, IPA identification. Main protection concerns focused around lack of provision of health services in the camp, concerns over access to quality WASH and Education activities. IPAs distributed to monthly caseload of most vulnerable.
- NUTRITION: No Reported Update.
- CHILD PROTECTION: CFSs fully operational, no updates.

-Concerns re: health, WASH, and Education shared with respective agencies/Clusters. DRC Protection to follow up raised concerns.

14 - Dar Paing Village

- No updates.

15 - Zaw Bu Gyar Village (estimated 340 residents)

Issue

- No updates.

Status

16 - Sat Yoe Kya camp (estimated 3002 residents)

Issue

- No updates.

Status

Pauktaw Township

17 - Sin Tet Maw IDP Camp (estimated 3,000 residents)

Issue

- SECURITY: no incidents reported.
- WASH: Concerns over shortage of drinking water were addressed by SCI building a new well in the village for the exclusive use of IDPs (agreed with the village leader) and installing a tank in the camp which distributes water with 6 taps, providing 10,000L of water every day, not fully used. IDPs still report shortage of drinking water.
- HEALTH: MoH clinic did not come this week. Currently reported 3 persons suffering from conditions which require medical referral to hospital (hematemesis, bleeding and infection, appendicitis) but refuse to go to Sittwe hospital due to fear. Widespread skin rash and abscesses reported due to hot season, lack of treatment.
- DEATH⁴: no deaths reported.
- FOOD: No updates.
- PROTECTION: No updates re: 19 HHs recently arrived from Myebon camp with reportedly no access to aid. In a FGD with women main concerns were raised in relation to health and drinking water access.
- CENSUS: no updates.
- CAMP MANAGEMENT / SHELTER: No update re: lack of shelter for the 19 Myebon IDP HHs.
- NUTRITION: no updates.
- EDUCATION: School materials distributed to children by SCI.
- SHELTER: High number of shelters and community structures (kitchens) damaged.
- CHILD PROTECTION: Regular activities ongoing; no updates.
- NON-FOOD ITEM: ICRC distributed tokens/cards ahead of planned charcoal

Status
