No of Shelters	Total Rooms	Occupied Rooms	Total Population	Male	Female	< 5 Yrs		5 to 10 Yrs		11 to 17 Yrs		18-59 Yrs		> 59 Yrs	
						M	F	M	F	M	F	M	F	M	F
85		680	1993	893	1100										
				% age	49%	52%									

Sector	Updates	Key Concerns
Camp coordination and Camp Management	<ul style="list-style-type: none"> • LWF recruited 3 Incentive staffs oriented them and started to family survey during the month. One Incentive staff remains to be finalized due to same name. • LWF Supported furniture to CMC, installed bill boards. • LWF informed about CMC meeting and Inter agency meeting and will facilitate from December.. 	<ul style="list-style-type: none"> • Conflict between leaders and community based on place of origin. • Camp location is vulnerable from different perspective.
Education	<ul style="list-style-type: none"> • LWF will implement education program in camp. TLS construction work started. • LWF proceeded to select teachers in the camp. 	<ul style="list-style-type: none"> • CMC requested to conduct education program soon.
Food	<ul style="list-style-type: none"> • Save the Children is responsible for food distribution. 	<ul style="list-style-type: none"> • NA
Health	<ul style="list-style-type: none"> • MHAA is responsible to provide health service. 	<ul style="list-style-type: none"> • NA
NFIs	<ul style="list-style-type: none"> • NA 	<ul style="list-style-type: none"> • NA
Shelter	<ul style="list-style-type: none"> • LWF assessed the shelter situation. Based on primary report, 76 shelters out of 85 require minor and major repair and maintenance. 	<ul style="list-style-type: none"> • Most of the shelters are partial and major damage.

LWF Myanmar
CAMP SITUATION REPORT - NOVEMBER 2014

		CMC requested to provide repair support.
WASH	<ul style="list-style-type: none"> • Solidarity is responsible for wash. • There are 2 water ponds in the camp but during the summer season water level will be decreased. So they have water problem in that time. There are 4 water points which are connected with ponds but could not supply adequate quantity of water. Therefore CMC members requested to provide more water points in camp. • There isn't drainage system in camp. Therefore camp environment is very dirty. • There isn't bathing room in camp. So, Women take bath in the shelter because of cultural practice. Therefore, there is polluted water under the shelter. • Solidarity distributes hygiene kits one time for 5 months. • Some latrines are damage in camp 	<ul style="list-style-type: none"> • CMC members and IDPs asked to maintain latrines because some latrines are damage.
