| Next Shelter Sector Meetings Locations | <p>Sector Chairs proposed to have the next Shelter sector meeting in Za'atari camp. The idea was well received with the interest to have the future coordination meetings in host community and Azraq camp too.</p> <p>As the day will be spent in the camp, it was suggested to have the 2-hour meeting, then 2-hour session to sit with the community to discuss shelter related aspects and afterward a site visit.</p> <p>It was agreed to have the field trip on the 11th of August.</p> <p>As for the SWG meeting in September, it was proposed to have it held at a location in the host community.</p> | Vincent (UNHCR) and Richard (NRC) | 10 min |
| Winterization Update | <p>2016 Winterization Task Force will meet on the 8th of August. Participation from different sectors (Shelter, Basic Needs, WASH, and Health) is welcomed.</p> <p>During the meeting there will be a call for nominations for chairing the TF this year. Also, a presentation on the lessons learned from last year will be shared with the present partners.</p> | Rawan (UNHCR) | 5 min |
| [Presentation] Winterization in Lebanon | <p>2015 Winterization projects in Lebanon experience were presented during the meeting.</p> <p>The presentation started with an overview of the shelter situation of refugees in Lebanon and how it had changed over the years.</p> <p>Interventions, winterization kits and statistics were shared during the presentation.</p> | Vincent (UNHCR) | 30 min |
| [Presentation] JAH Program | <p>UN-Habitat's "Jordan Affordable Housing Program" was presented to the present partners.</p> <p>The overall objective for the program is to provide access for vulnerable Jordanian and refugee families to affordable and adequate housing.</p> <p>Also, to create and/or align to sustainably facilitate the large-scale private-sector led delivery of affordable housing in Jordan.</p> <p>Designs have been shared, and a site visit to Ramtha site was offered to partners who are interested in seeing the demo of the project.</p> | Tesfay (UN-Habitat) | 20 min |
| VAF for Shelter | <p>During the last 12 months, the vulnerability assessment framework for Shelter has been monitored based on the previous revision of the Shelter tree.</p> <p>The results tend to underline some major gaps between refugees with severe vulnerability compared to low vulnerability rate. It was highlighted that the discrepancy does not necessarily reflect the reality when it is known by various</p> | Vincent (UNHCR) | 20 min |
