2019 MARCH

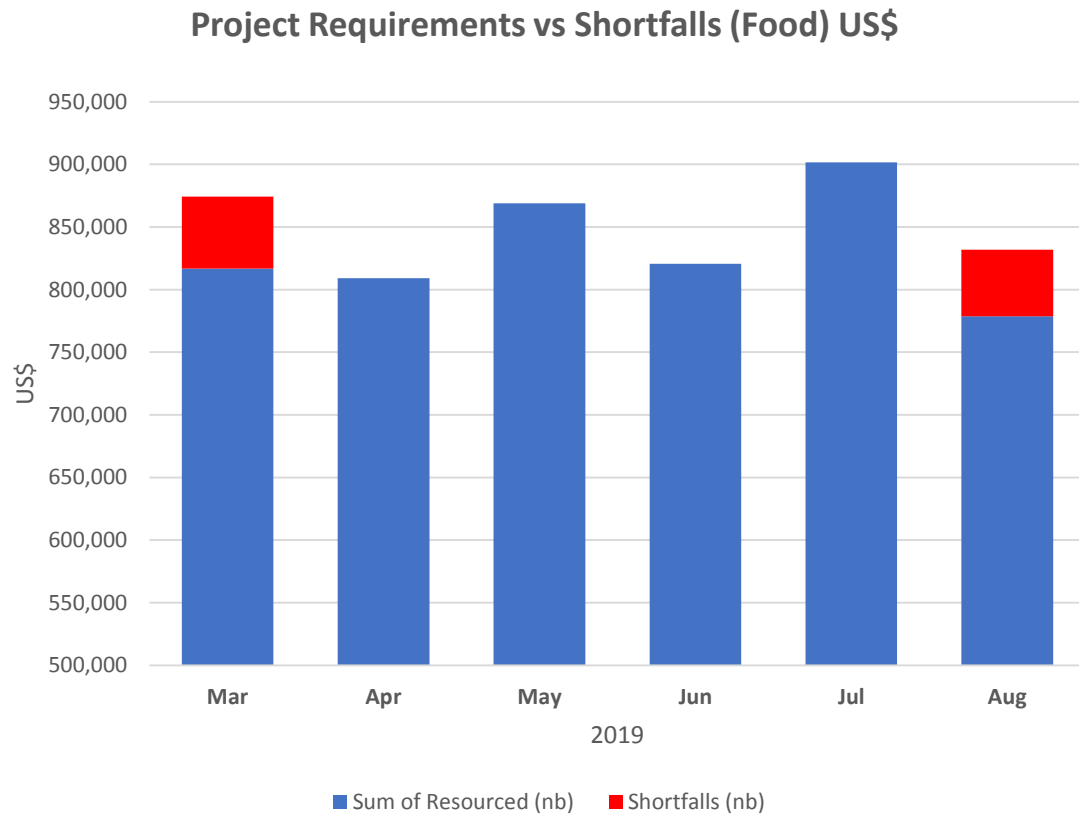

# 2019 total refugee operation requirements versus shortfalls

Available US\$	Shortfall US\$
12.3m	19.2m
<b>Total 2019 requirement US\$: 31.5 million</b>	

# Six-month requirements versus shortfalls - FOOD

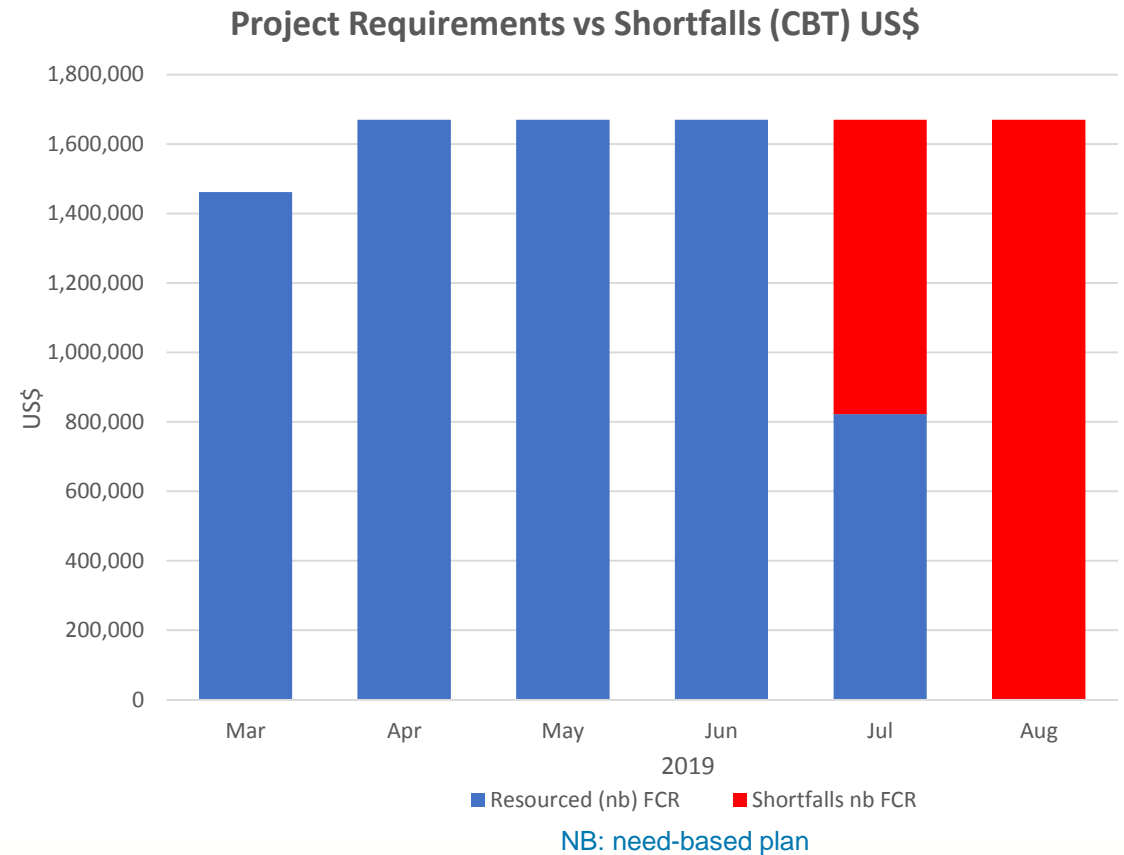

NB: need-based plan

- Super Cereal (CSB) with sugar commodity pipeline break in March – WFP will substitute with CSB and sugar purchased separately to cover the needs in March.
- From April onwards this commodity will be available for purchase in Rwanda
- In August WFP will break for maize and vegetable oil
- Beans are available until October 2019

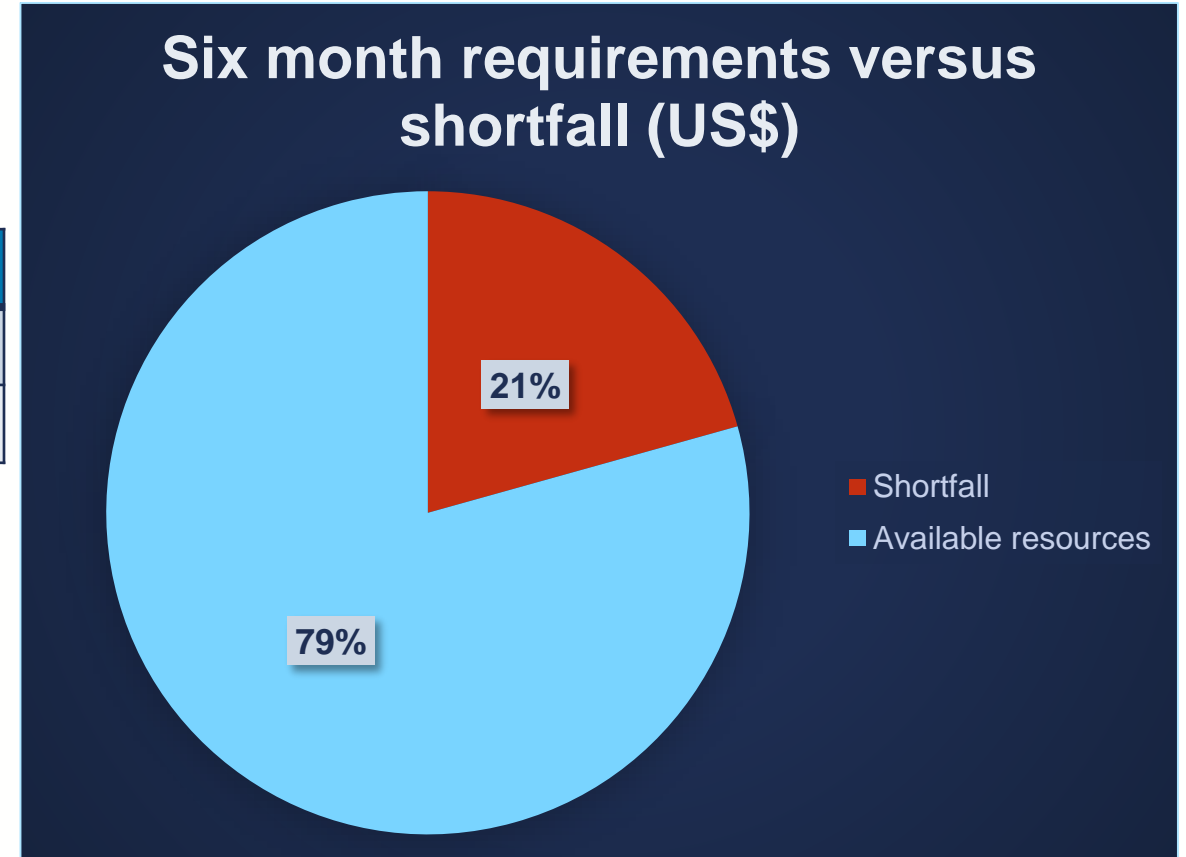

# Six-month requirements versus shortfalls - CASH

- WFP will face a cash pipeline break in mid-July 2019.
- However, WFP foresees that it will be able to secure funding for all of July 2019 at least.

# Six-month requirements versus shortfall summary
