GAZİANTEP CHAMBER OF COMMERCE

SYRIAN DESK

Gaziantep Chamber of Commerce (GCC) Syrian Desk

- Before the Syrian crises the number of Syrian Companies registered to GCC were only 12 companies.
- After 2011 the number of Syrian Companies has increased Rapidly.
- Most of these companies were not knowing the Turkish language and the Turkish Business Laws.

Gaziantep Chamber of Commerce (GCC)

Syrian Desk

Years	Number of Syrian Member Companies in Gaziantep Chamber of Commerce
Before 2011	12
2011	20
2012	31
2013	122
2014	347
2015	571
2016	974
2018	1.900

As a consequence of the increasing number of Syrian member companies in Gaziantep Chamber of Commerce; we had established **“GCC Syrian Desk”** in 2016 to provide better services for our Syrian members

Sectoral Diversity of Syrian Members

SECTORS	PERCENTAGE %
FOOD (Production and Trading)	% 17
GENERAL TRADING (Import and Export)	% 13
FOOTWEAR	% 12
TEXTILE	% 11
CARPET AND PLASTIC RUSH MAT	% 5
RESTAURANT AND CAFE	% 4
LANGUAGE COURSES AND RESEARCH ACTS	% 4
OTHER	% 34

Main Services Provided By Syrian Desk

- To stand on the **most important problems** faced by Syrian companies in Gaziantep and trying to solve their problems or forwarding these problems to related authorities to solve .
- **Updates their information** by communicating with them one by one.
- Establishing a **new Arabic site** in GCC website.
- Working as **information center** and guiding and providing all kind of information needed in Turkey ((registry procedures, new company establishment, member information, fairs, tenders, visa, banking issues, citizenship issues... etc.).
- **GTO Board of Directors Meetings with Syrian Businessmen**: in 2016 to 2019 Syrian desk had organized more than 20 meetings between GTO Board of Directors and Syrian businessmen.

Main Services Provided By Syrian Desk

GCC – UNHCR PROJECTS

- **2019:**
- GCC will organize **Vocational Trainings in the subject of pattern and knitting in the Tricotage sector** for 120 Syrian refugees and host community members in Haci Sani Konukoğlu Vocational and Technical Anatolian High School.
- Also, We had established a **new atelier in the subject of designing and modeling in the ready to wear sector** in Haci Sani Konukoğlu Vocational and Technical Anatolian High school to train qualified workforce (45 Syrian and host community members).
- In the end of these **vocational trainings, GCC plans to provide the participants with life skills trainings** (CV writing, interview skills, job navigation skills and interpersonal communications skills).
- GCC planning within this project to organize **training courses** in foreign trade, marketing, English for business and designing and managing company websites for 88 Syrian entrepreneurs.

- GCC planning within this project to organize **Turkish language courses** for 88 Syrian refugees to overcome language barriers and to increase their access to the labor market.
- GCC planning within this project to organize 3 **Awareness raising sessions** to equip 300 Syrian entrepreneurs with new developments and changes in the legal framework related to taxation and business registration. GCC also will invite an fashion expert on new trends and development in the knitting sector.
- In the end of the project, GCC also planning to organize a **job fair** to create an opportunity for direct interaction of the project beneficiaries with the private sector that will serve to create employment opportunities.

GCC – GIZ PROJECTS

- 2017 – 2018

In order to increase the capacity building of Syrian SMEs, GCC had organized 16 training courses for Syrian businessmen and their staffs with corporation with GIZ (342 Syrian businessmen and their staffs had benefited from these courses).

- 2018 - 2019:

- GCC had established a «**Training Center**» with the support of GIZ.
- GCC had organized 15 capacity building trainings in Arabic language in this center for our 319 Syrian members and their employees.

GCC – GIZ PROJECTS

- **Follow up sessions** are being organized after each training.
- Informative **brochures and booklets** have been prepared in Arabic language in 9 topics (such as establishing company, social security, government incentives, etc.).
- Providing of **consulting services** for 28 Syrian companies in the subject of Foreign Trade, State Supports in Foreign Trade, New Market Research and Customer Finding Techniques for Foreign Trade, Financial and Basic Accounting Legislation, Marketing and Sales and Institutionalization.
- Organizing a Fair visit and **B2B event** for 25 Syrian members within the Wineurasia Industry 4.0 and Digitalisation Fair in Istanbul.
- Organizing **an awareness raising session** in the subject of commercial disputes and protection of commercial rights for 61 Syrian businessmen and entrepreneurs.

GCC Capacity Building for Syrian Members Proejct Supported by EBRD – 2017-2018

Under purpose of enhancing the Chamber's capacity to provide better services to its Syrian members; GCC, EBRD, DI (Danish Industry) and SPARK cooperated to implement this project.

One of the most important goals of this project is to increase the capacity of Syrian desk in providing better services for Syrian member companies.

Within this project, GCC has organized many focus group discussions with Turkish and Syrian company owners to discuss their main needs and to stand on their problems related to their business here in Turkey. Depending on these meetings, GCC with supporting of DI experts developed new strategies to increase knowledge of the Syrian business owners about Turkish business laws and incentives, increase their capabilities to compete better in the local and global market and their integration in the Turkish business environment.
