

2020 June
Statistical Dashboard

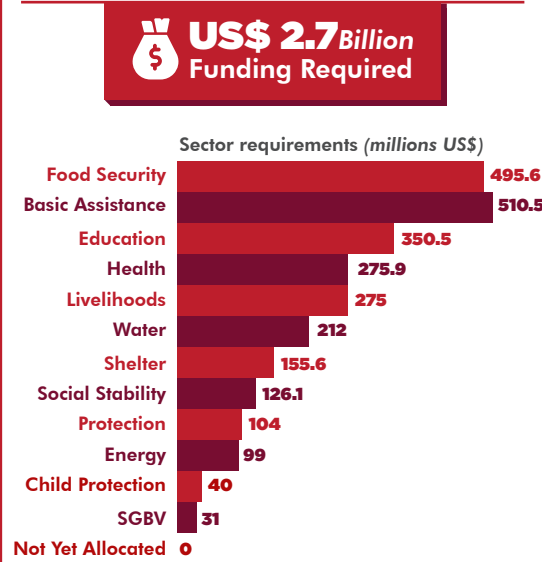

The monthly dashboard summarizes the progress made by partners involved in the *Lebanon Crisis Response Plan (LCRP)* and highlights trends affecting people in need.

Partners in Lebanon are working to: **1)** ensure protection of vulnerable populations; **2)** provide immediate assistance to vulnerable populations; **3)** support service provision through national systems; and **4)** reinforce Lebanon's economic, social, institutional and environmental stability. Reported progress towards targets is cumulative since January 2020, unless otherwise specified.

Most Vulnerable Cadasters**

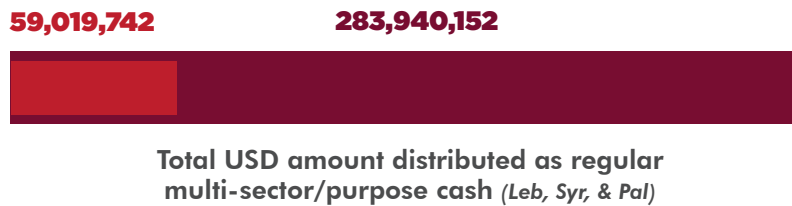

Basic Assistance

Reached until this month

Yearly target

of households that received multi-sector/purpose cash transfers (monthly target)¹

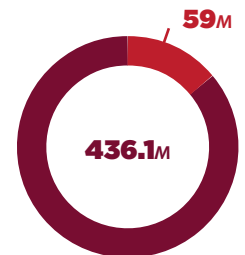

of households that received seasonal cash grants or vouchers

0 / 237,299

Total amount of seasonal cash distributed in USD (Leb, Syr & Pal)

0M / 152.2M

Total USD amount injected into economy in forms of cash assistance (seasonal + regular)

76% Syrian refugee families living on less than MEB (\$114/capita/month)²

58% Syrian refugee families living on less than SMEB (\$87/capita/month)²

665 Lebanese families receiving regular multi-purpose cash

59,304 Syrian families receiving regular multi-purpose cash

This month: partners reporting **14** population reached **608,365**

¹ Vulnerable Lebanese, Syrian refugees and Palestinian refugees. Population reached includes families targeted by UNICEF.
² Vulnerability Assessment of Syrian Refugees in Lebanon (VASyR) 2017

Education

Reached until this month

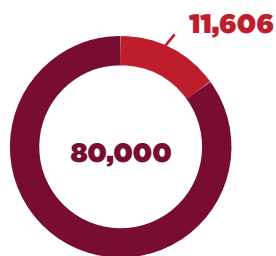

Yearly target

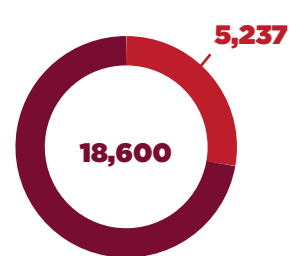

No data available / **471,950**

of children and youth whose registration fees for public formal education are partially or fully subsidised

This month: partners reporting **24** population reached **1,861**

of children and youth whose registration fees for regulated NFE programmes were partially or fully subsidised

of children and youth who benefitted from remedial or homework support programs

59% of school aged refugees out of formal education³ **1 of 3** Non-Lebanese students in basic education enrolled in the first shift³

32% of non-Lebanese among all students enrolled in first shift basic education³

50% of non-Lebanese among all students enrolled in public schools in basic education³

Water

Reached until this month

Yearly target

78,577

1,118,200

of affected people assisted with improved access to adequate quantity of safe water for drinking and for domestic use (e.g. public water supply system improvements)⁵

of affected people assisted with temporary access to adequate quantity of safe water for drinking and water for domestic use (monthly target; e.g. water trucking, on-site water treatment)

1,625

426

of rehabilitated latrines to meet environmentally friendly practices

of affected people provided with access to improved safe sanitation in temporary locations [monthly target; e.g. installation of latrines, septic systems, desludging]

individuals who experienced a WASH behaviour change session/activity

64% population in Lebanon without access to safely managed drinking water⁴

22% Syrian refugee families with no access to improved drinking water sources⁵

97% of all Lebanon's sewage not receiving secondary (biological) treatment⁵

14% Syrian refugee families with no access to improved sanitation facilities⁵

39% Syrian refugee families without access to private sanitation facilities⁵

13% Syrian refugee families with no access to personal hygiene items⁵

This month: partners reporting **15** population reached **40,983**

⁴ WHO/UNICEF (2016), Joint Monitoring Program Lebanon water quality survey. Safely managed drinking water is 1) from an improved water source, 2) that is located on premises, 3) available when needed, and 4) free from faecal and priority chemical contamination.
⁵ UNICEF (2016), Rapid Assessment for Large & Medium Scale Waste Water Treatment Plants across the Lebanese Territory.

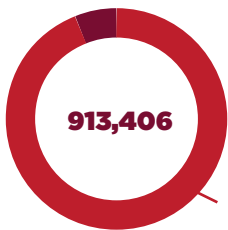

³ MEHE - 2017

Food Security

Reached until this month

Yearly target

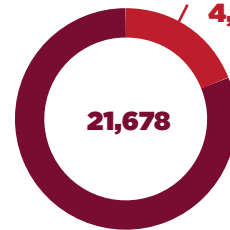

Reached with food assistance through various modalities (monthly target)

8,856 / 21,678

of farmers with enhanced farming practices and production

of individuals supported for seasonal agricultural labor/casual labor

1,142

2,000

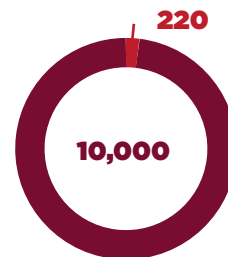

of youth supported with employability skills training in agriculture fields/enrolled in basic literacy and numeracy

324.9M

101M

Total USD transferred as cash for food

of individuals with strengthened technical and operational capacities to access temporary and casual labour in exchange for cash-based assistance (Food Assistance)

90% of Syrians Displaced HHs present some level of food insecurity⁶

33% of Syrians Displaced HHs with poor and borderline food consumption⁶

32% of Syrians Displaced HHs depend on food voucher/ecard for income source⁶

73% of Farmers in need of agriculture support

63% of Syrians Displaced HHs adopt severe and crisis coping strategies⁶

51% of Syrians Displaced HHs unable to cover SMEB (Survival Minimum Expenditures Basket)⁶

10% of Lebanese HHs vulnerable to food insecurity⁷

95% of PRS are food insecure⁸

Energy

0 / 196,575

households that benefitted from renewable energy equipment (solar water heaters, pico solar system, etc.)

0 / 38

municipalities or informal settlements provided with off-grid lighting

0 / 25

renewable energy power generationsystems installed for communities and/or institutions

0 / 277,140

individuals reached through installation of necessary equipment to reinforce the distribution network

486MW Power generation required to cater for the daily electricity needs of displaced Syrians

75MW Power added to the grid since 2010 by MoEW

33% Percentage of energy supplied to displaced Syrians out of total energy supplied in Lebanon

This month: partners reporting 1

⁸ AUB UNRWA 2015

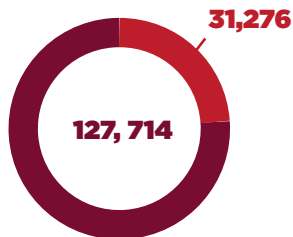

Health

Reached until this month

Yearly target

of subsidized primary health care consultations provided

of persons assisted with their hospital bills

of primary health care staff who received salary support at central, peripheral and PHC level

This month: partners reporting 22 population reached 66,473

11% of Syrian refugees not able to access needed primary healthcare in past 6 months⁹

13% of Syrian Refugee households monthly health-related expenditure share⁹

24% of Syrian refugees unable to access needed secondary healthcare in past 6 months⁹

\$52 Syrian Refugees household monthly health-related expenditure⁹

Livelihoods

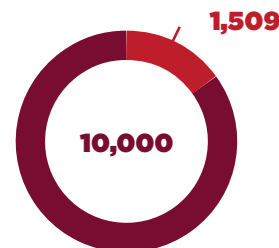

78 / 3670

of MSMEs & cooperatives supported through financial/non-financial services or technology transfer

383 / 7,530

of targeted vulnerable people who worked on public infrastructure/environmental assets upgrading

of people provided with market-based skills training

13% of Lebanese families registered with NPTP with access to full-time employment¹⁰

69% of Syrian refugee families living below the poverty line¹¹

68% of Syrians households having at least one working member¹¹

55% of Syrian female headed households without working members¹¹

18% of Syrian children at work¹²

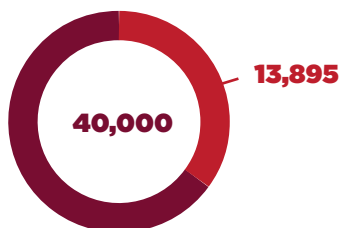

6% of Lebanese children at work¹²

Protection

Reached until this month

Yearly target

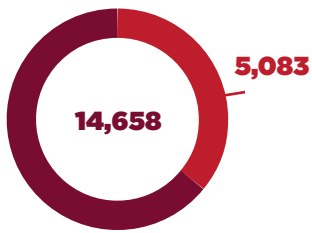

of individuals who benefitted from legal counseling, assistance and representation regarding legal stay

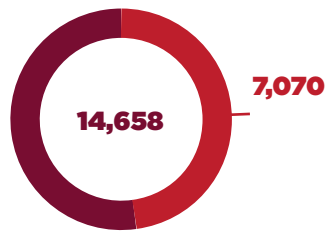

of individuals who benefitted from counseling, legal assistance and legal representation regarding civil registration including birth registration and marriage

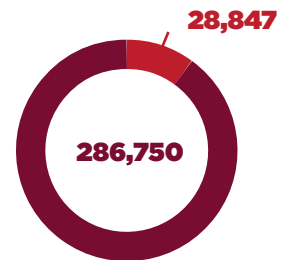

⁹ VASyR 2017
¹⁰ MoSA NPTP database
¹¹ VASYR 2018
¹² ARK (wave 4)

Number of persons with specific needs supported with protection cash or emergency cash

of individuals with specific needs who received specific support (non-cash)

of women, girls, men and boys sensitized at SGBV

of new individuals trained, supported, and monitored to engage in community-based mechanisms

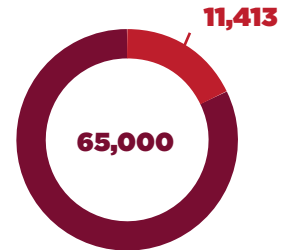

of women, girls, men and boys at risk and survivors who accessed SGBV prevention and response services in safe spaces

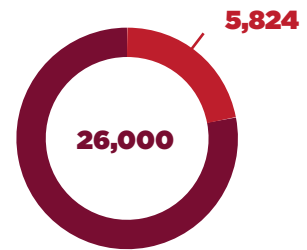

of boys and girls who received case management services & those assisted through Child Protection focused psychosocial support

This month: partners reporting 28 population reached 29,383

of boys and girls engaged in community-based Child Protection activities

of caregivers engaged in activities to promote wellbeing and protection of children

950,334 Total registered Syrian refugees¹³

81% of Syrian refugees who are women and children¹⁴

19% of Syrian refugee families reporting that all members have legal residency permits¹⁴

12% of Syrian families reported having at least one member with specific needs¹⁵

64,153 Individuals participating in activities in community centres and SDCs (2017)¹⁶

1476 Institutional actors trained who demonstrate increased knowledge of SGBV (2017)¹⁶

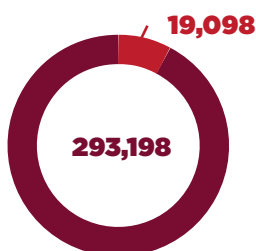

387 of partners and government staff provided with general training on child protection and children's rights (2017)¹⁷

Shelter

Reached until this month

Yearly target

of people who benefitted from weather proofing and/or maintenance of makeshift shelters within informal settlements, residential and non-residential buildings

of people benefiting from residential shelter upgrading to minimum standards

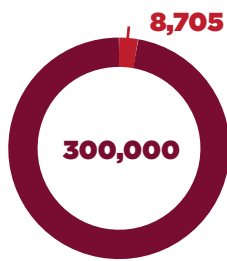

¹³ UNHCR data as of 30 November 2018

¹⁴ VASyR 2017

¹⁵ VASyR2018

¹⁶ Activity Info Partner Reports - 2018

¹⁷ Activity Info Partner Reports - 2017

of people received fire-fighting kits and awareness sessions in informal settlements, residential and non-residential buildings

of people benefitted from site improvements in informal settlements

This month: partners reporting population reached **1,833**

17% of displaced Syrians living in Informal Settlements¹⁸

9% in non-residential buildings (ex: worksites, garages, shops)¹⁸

30% of displaced Syrians living in substandard shelter conditions¹⁸

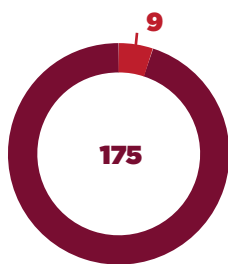

\$183 Average cost for rent per household for displaced Syrians¹⁸

4 assessments and profiles of (mainly poor urban) neighbourhoods (target: 15)¹⁹

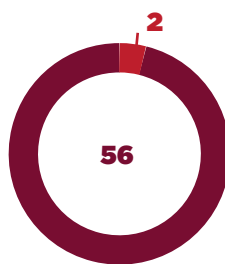

Social Stability

 Reached until this month

 Yearly target

of municipalities that received Community Support or Basic Service Projects

new dispute resolution and conflict revention mechanisms established

youth who participated in social stability initiatives

0 / 55

of municipalities that benefitted from improved integrated solid waste management systems & approaches

0 / 300

of partners' staff trained on conflict sensitivity

114 vulnerable cadastres where population has increased by 50% or more²⁰

32% of people reporting competition for services and utilities as source of tension²¹

95% of people believe Lebanese people have been good hosts to refugees since 2011²¹
