Country Fact Sheet
September 2020

UNHCR Ukraine has published its 2020 Country Fact Sheet, which provides a comprehensive overview of the humanitarian situation in Ukraine. The report highlights the impact of the COVID-19 pandemic on the refugee and IDP populations, as well as the challenges faced by host communities. Key findings include a significant increase in the number of people in need of international protection, with a particular focus on women and children. The report also discusses the role of UNHCR in providing essential services and advocacy efforts to address the needs of the affected population.
