Map of verified IDP sites in Bossaso - January 2021

Assessment overview

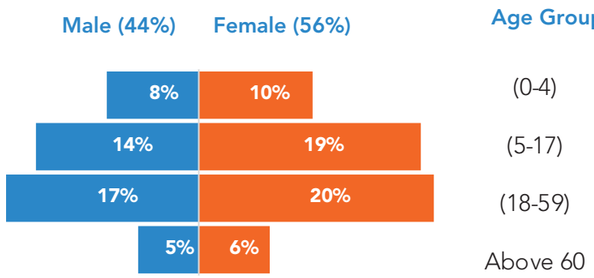
A joint IDP site verification exercise was conducted in Bossaso in January 2021. The operation was led by DRC, KAALO, Local Government, NRC, PSA and UNHCR. 22 IDP sites were identified hosting 19,200 households or 108,753 individuals. Compared to the last site verification conducted in September 2019, there was a decrease of 19 IDP sites and 3,148 Households or 23,394 individuals.

Demographic data of IDPs living in Bossaso

22 Verified IDP Sites

hosting **19,200** Households

hosting **108,753** Individuals



People living with disability

Using the washington group disability questions, statistics of people living with disabilities were derived

9,394 (9%) people living with disability
