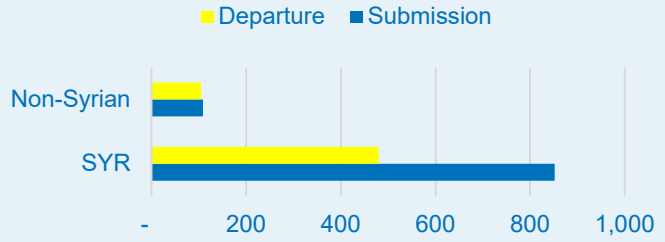
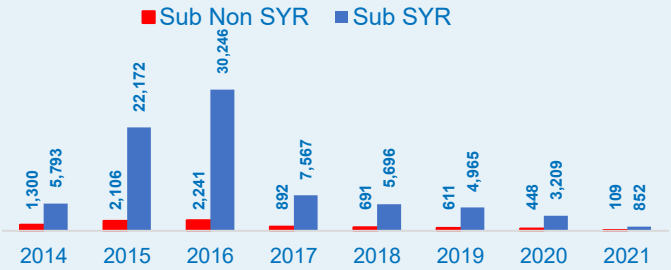
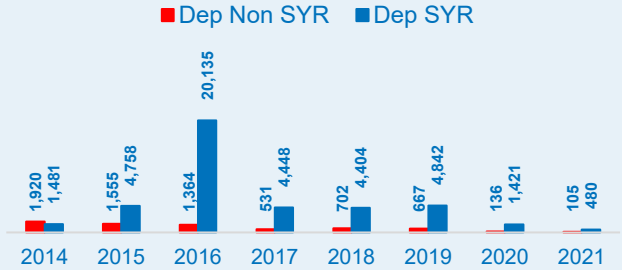
### 2021 Submission and Departure



### Submissions



### Departures



- Resettlement is an important gesture of responsibility sharing and solidarity with the government of Jordan.
- Resettlement is also a durable solution and a protection tool.
- UNHCR follows a “One Refugee” approach and prioritizes refugees of all nationalities for resettlement according to protection needs.
- Through remote resettlement procedures, UNHCR was able to utilize all available quotas in 2020.

### Remote Resettlement Processing

**Remote Interview and Review**
Phone and Video Interviews

**Support and Logistics**
Resettlement mission support
Exit permit & departures

**Communication with Communities**
access to information on resettlement case status

**Integrity measures Identification**
Identity Verification (IRIS scan)
Audit procedures Anti-fraud procedures
