Retroactive changes in data may occur.. The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations. Albania doesn't have asylum intentions policy.

"Intention to seek asylum" was a recently introduced procedural step of the asylum procedure in most Western Balkan asylum legislations, requiring asylum seeker to formally express intention to seek asylum before submitting their asylum applications. The discrepancy between the number of "intentions to seek asylum" and
