Impact of the war on the operation of ART sites

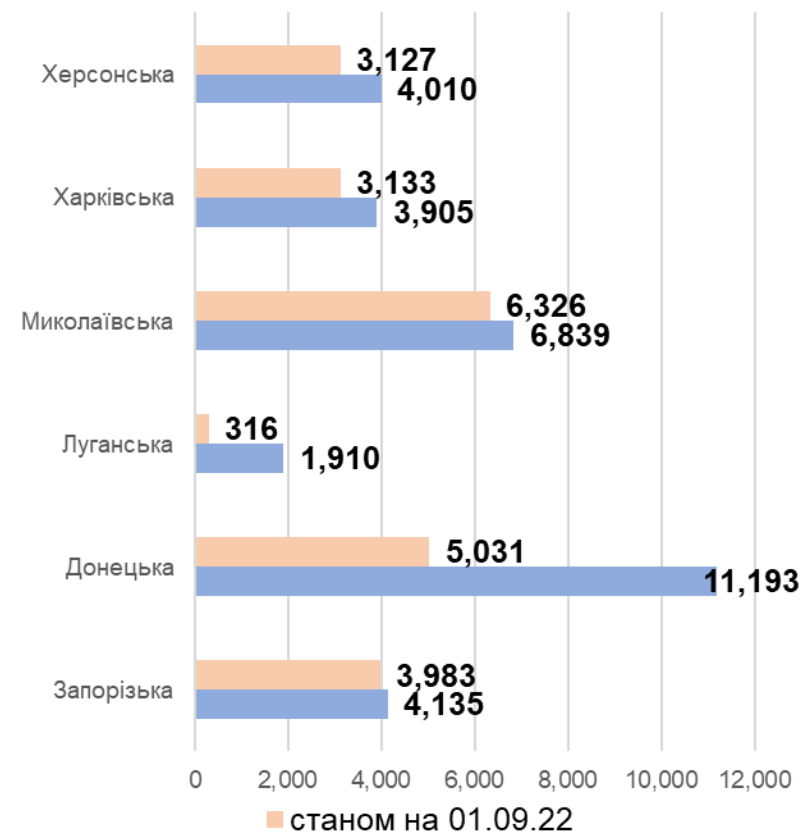

Number of patients receiving ART in war-affected regions

Non-operational ART sites as of 04.10.2022

Infrastructure:

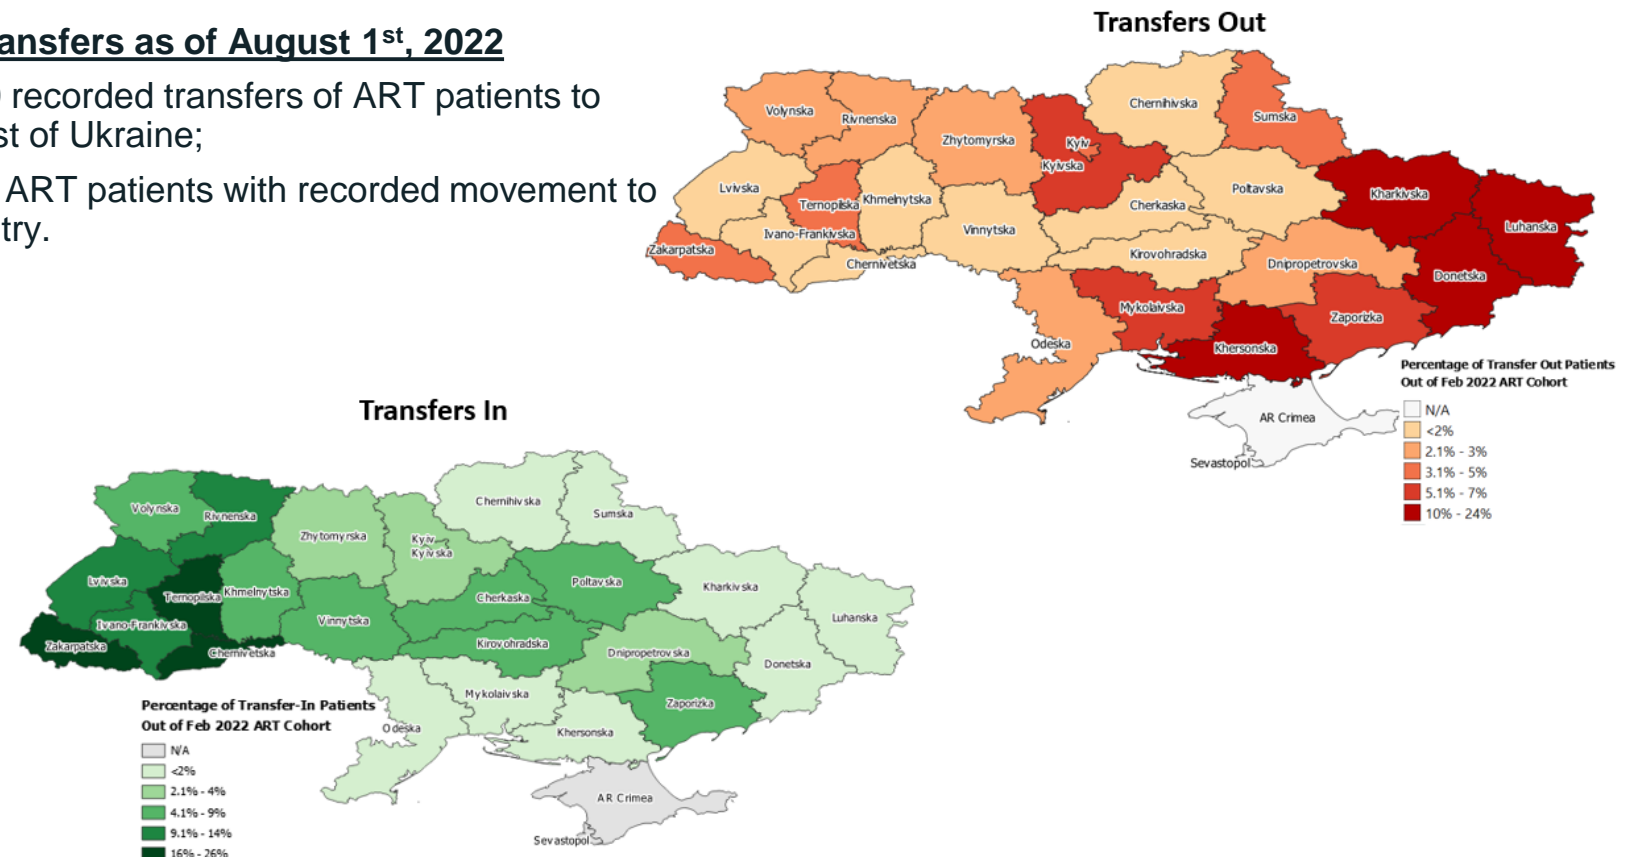

- 6 buildings destroyed
- 28 buildings damaged
- 36 sites staffed with only one healthcare worker (18 – a nurse, 18 – a doctor)

Increased ART patients' movement across the country

ART Patient Transfers as of August 1st, 2022

- Almost **7,500** recorded transfers of ART patients to another oblast of Ukraine;
- Nearly **2,300** ART patients with recorded movement to another country.

Estimate of PLH who left Ukraine because of the war

April 2022

Table 1. Estimated number of PLHIV in need of ART in countries with reported refugees' arrivals

Location name	Population	Estimated proportion of			Number ¹³ of PLHIV in need of ART		
		Female 15+	Children 0-14	Male 60+	Adults (rounded)	Children (rounded)	Estimated people in need of TLD
Poland	2,187,592	1,421,935	503,146	262,511	16,845	205	13,476
Hungary	567,944	369,164	130,627	68,153	4,375	55	3,500
Slovakia	373,584	242,830	85,924	44,830	2,880	35	2,304
Romania	333,873	217,018	76,791	40,065	2,575	35	2,060
Republic of Moldova	268,976	174,834	61,864	32,277	2,075	25	1,660
Russian Federation	261,742	170,132	60,201	31,409	2,020	25	1,616
Belarus	6,288	4,087	1,446	755	50	5	40
	4,000,000				30,820	385	24,656

National Response

- GFATM allocated EUR 1mln for HIV and TB prevention and support programs for refugees
- Ministry of Health issued the Disposition nr. 443-d, on active interventions for HIV and TB prevention in RACs with the involvement of specialized NGOs
- National program for prevention and control of HIV/AIDS and STIs provides free diagnosis and treatment
- UNAIDS supports the HIV community based emergency response implemented by 10 national and local NGOs

Results

More than 5000 refugees were covered with integrated services by NGOs :

- HIV
- TB
- Mental Health,
- Sexual and reproductive health
- PSEA

By the end of October 2022, the governmental National AIDS program, provided continuous ARV treatment for more than 200 of refugees.

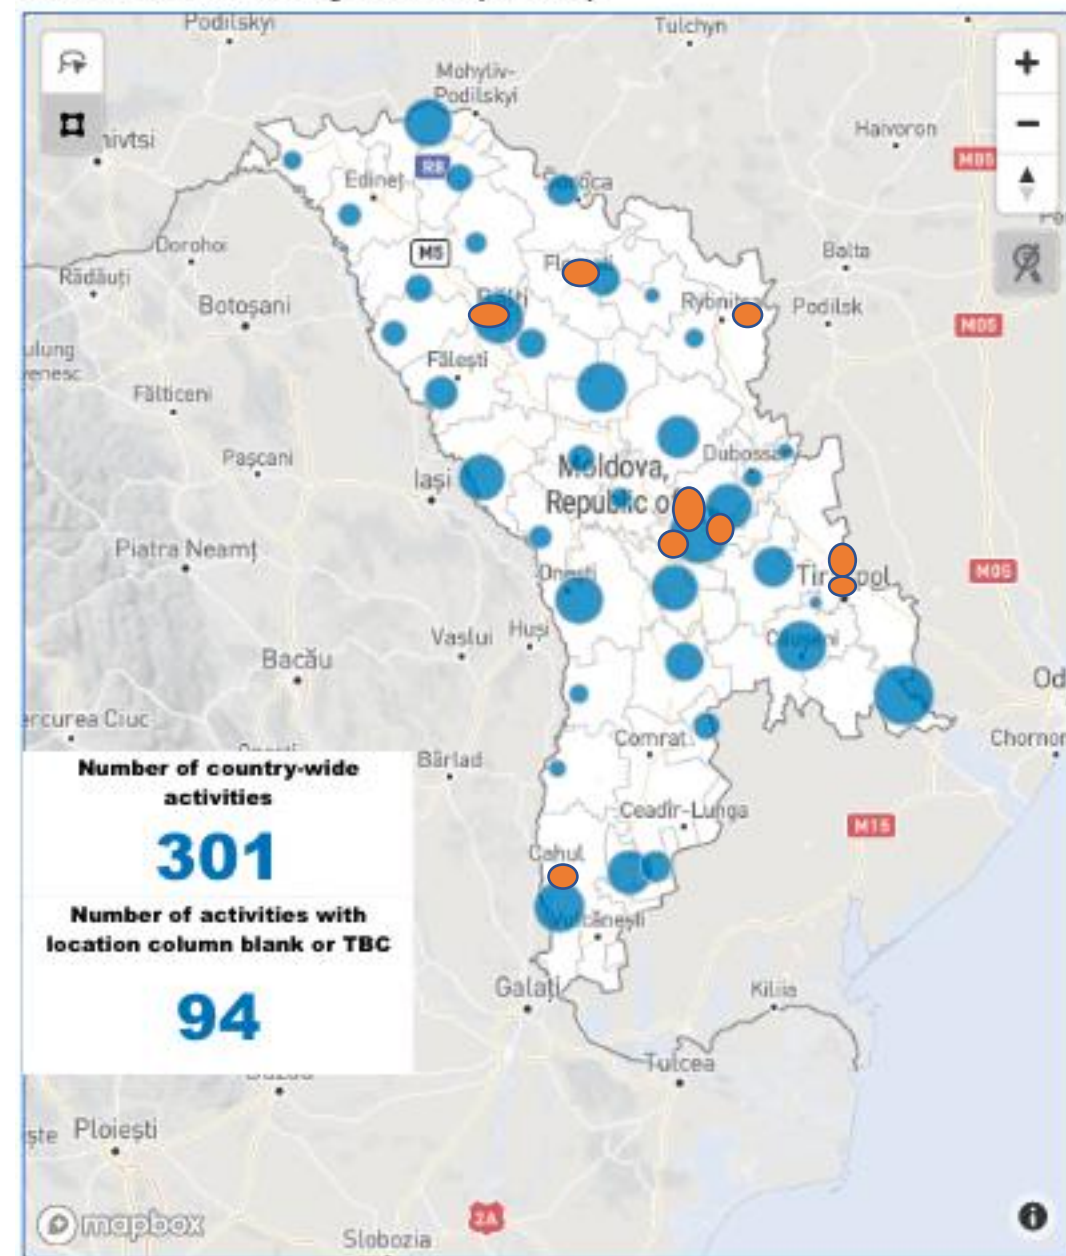

The governmental National AIDS program, provided continuous ARV treatment for more than 200 of refugees (October 30th)
